Introduction to Economics John Roscoe Turner,2019-12-16 Originally published in 1919 this book is an outgrowth of classroom discussions It contains in substance the talks on economics which have been made for the past eleven years to the author s classes in Cornell and New York Universities The time has long since passed when a single volume can treat exhaustively the whole field of economics designed as an introduction this book will serve as a means to the end of a more intelligent study of economic questions and prepares the mind of the student for the thought contained in the more advanced and specialized works on the subject and the practical applications they reveal *Essays in International Economics* Peter B. Kenen,2019-01-29 Written from 1957 through 1978 by one of the foremost authorities in the field of international economics this collection of Peter Kenen s previously published essays deals with issues in the pure theory of international trade international monetary theory and international monetary reform The essays in Part I Trade Tariffs and Welfare

concern the roles of tangible and human capital in the determination of trade patterns the joint determination of demand conditions and trade patterns the gains from international trade and the effects of migration on economic welfare Part II International Monetary Theory and Policy contains essays on the theory of gold exchange standard the determination of forward exchange rates the demand for international reserves economic integration and the delineation of currency areas and the process of balance of payments adjustment under pegged and floating exchange rates The essays in Part III Monetary Reform and the Dollar are arranged in chronological order from 1963 through 1977 and focus on the problems and progress of international monetary reform and on the functioning of the present international monetary system Peter B Kenen is Walker Professor of Economics and International Finance at Princeton University The Princeton Series of Collected Essays provides facsimile reprints in paperback and in cloth of important articles by leading scholars Originally published in 1981 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
