

A person stands on a tall, dark pedestal in the center of a vast, foggy city. The person is silhouetted against a bright, glowing light source, holding a torch aloft. The city is composed of tall, uniform buildings that stretch into the distance, creating a sense of a vast, impersonal environment. The ground is covered with a dense field of small, dark, rectangular objects, possibly representing a large crowd or a field of graves. The overall atmosphere is one of isolation and defiance.
