Bejarano, 2013-08-15 During the past decade racial ethnic minority women have made significant strides in U S politics comprising large portions of their respective minority delegations both in Congress and in state legislatures This trend has been particularly evident in the growing political presence of Latinas yet

scholars have offered no clear explanations for this electoral phenomenon until now In *The Latina Advantage* Christina E Bejarano draws on national public opinion datasets and a close examination of state legislative candidates in Texas and California to demonstrate the new power of the political intersection between race and gender Underscoring the fact that racial ethnic minority women form a greater share of minority representatives than do white women among white elected officials Bejarano provides empirical evidence to substantiate previous theoretical predictions of the strategic advantage in the intersectionality of gender and ethnicity in Latinas Her evidence indicates that two factors provide the basis for the advantage increasingly qualified candidates and the softening of perceived racial threat leading minority female candidates to encounter fewer disadvantages than their male counterparts Overturning the findings of classic literature that reinforce stereotypes and describe minority female political candidates as being at a compounded electoral disadvantage Bejarano brings a crucial new perspective to dialogues about the rapidly shifting face of America s electorate

*Alaska Politics and Public Policy* Clive S. Thomas, Laura Savatgy, Kristina Klimovich, 2016-06-15 Politics in Alaska have changed significantly since the last major book on the subject was published more than twenty years ago with the rise and fall of Sarah Palin and the rise and fall of oil prices being but two of the many developments to alter the political landscape This book the most comprehensive on the subject to date focuses on the question of how beliefs institutions personalities and power interact to shape Alaska politics and public policy Drawing on these interactions the contributors

explain how and why certain issues get dealt with successfully and others unsuccessfully and why some issues are taken up quickly while others are not addressed at all This comprehensive guide to the political climate of Alaska will be essential to anyone studying the politics of America s largest and in some ways most unusual state The Statesman's Yearbook 2016 Nick Heath-Brown,2017-02-07 Now in its 152nd edition The Statesman s Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions [www.statesmansyearbook.com](http://www.statesmansyearbook.com) **Race, Ethnicity, and American Decline** Cal Jillson,2024-01-31 This book explores the deterioration of the promise of the American dream particularly for Black Americans Cal Jillson traces the source and cause of that decline to race prejudice first in the stark form of human slavery and later in various forms of racial and ethnic discrimination that has distorted American progress over the past four centuries and now portends American decline Employing historical analysis of race and ethnicity in American life from colonial to modern times the chapters examine the various understandings of race and ethnicity in American public life and politics and ask what those understandings imply for political and policy approaches to addressing injustice and restoring the American dream Drawing on sources from political science history sociology and economics this book will supplement a main text in upper division courses on race and ethnicity political sociology public opinion demography and public policy **The Statesman's Yearbook 2017** Palgrave Macmillan,2017-02-28 Now in its 153rd edition The Statesman s Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions [www.statesmansyearbook.com](http://www.statesmansyearbook.com) **Latina Legislator** Sharon Ann Navarro,2008 In late 2003 Texas State Senator Leticia Van de Putte led ten other Texas Senate Democrats to New Mexico as part of a protest against a Republican redistricting plan The walkout of the Texas Eleven made national headlines it also deprived the state senate of a quorum and temporarily froze all legislative action As Sharon A Navarro shows in *Latina Legislator* Leticia Van de Putte and the Road to Leadership the dramatic boycott is a fitting image for Van de Putte s life and career Though she initially ran for office on a shoestring budget Senator Van de Putte has succeeded in authoring and sponsoring legislation that has reformed the state welfare system revamped the Juvenile code and provided a healthcare safety net for children in Texas Multiple civic and community groups have recognized her as one of the most effective and influential lawmakers in Texas With Van de Putte as her central case study Navarro assesses the possibilities for other Latina legislators She identifies institutional and social factors that limit or expand opportunities for women s participation in state government Further her analysis of Van de Putte s record provides a context for judging legislative effectiveness and productivity This book is invaluable for those interested in Texas and regional politics as well as women s and ethnic studies **BOOK JACKET** *Valuable Partnerships* Robert J. Sullivan,2019-07-29 *Valuable Partnerships* Cooperation Innovation and the Future of Municipal Texas bridges rich

scholarship and practical application to produce an important reference for local government scholars and practitioners alike by covering the dynamic approaches altering how Texas municipalities operate Valuable Partnerships investigates the efficacy of the American fragmented municipal model comprised of 89 000 jurisdictions Critics consistently criticize this decentralized model while arguing for a regional structure yielding greater efficiencies and scalability that also solves the twin problems of equity and service delivery inequalities Conversely Valuable Partnerships presents evidence that Texas local governments leverage regional cooperation and innovation to achieve these results without the political and structural upheaval The author utilizes historic analysis benchmark results socioeconomic measures and budgetary data to demonstrate how Texas governments increase service performance and reduce the burden to taxpayers Such results support a counter thesis to the structural regionalism hypothesis by presenting findings that Texas local jurisdictions embracing regional cooperation and data analytics will experience the same benefits

*When Texas Prison Scams Religion* Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of

cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars
