### PMP Mandatory Lookup Compliance in Integrated EHRs

In some integrated pharmacy management systems, a patient score is loaded for viewing when the patient's report is accessed, rather than the full report. Viewing the patient score alone does not comply with the mandated PMP lookup requirement. Visit [this page](#) to learn more and to view an infographic of the full lookup process.

### SCAM ALERT NOTICE

TSDP continues to receive reports of scams involving individuals impersonating state agency entities. The most recent scam reports to TSDP indicate instances of telephone scammers spoofing TSDP's phone number so that the calls appear to be originating from TSDP directly. Scammers may also pose as TSDP staff by using a staff member's name and/or title. Reports of both written and phone scams continue. Learn more about these scams, how to report them, and see some examples of scams [here](#).
