

1. **Scenario:** A multinational corporation is planning to enter a new market in the Asia-Pacific region. The company's primary goal is to maximize market share and revenue while minimizing risk. The market is highly competitive, with established local players and several international firms. The company has a strong reputation for innovation and quality, but it lacks local market knowledge and a distribution network. The company is considering three entry strategies: (1) Direct entry, (2) Joint venture, and (3) Acquisition. Each strategy has its own set of advantages and disadvantages. The company's management is divided on which strategy to pursue. They are seeking your advice on the best approach to take.

2. **Task:** Analyze the scenario and provide a comprehensive report to the management team. Your report should include the following:

- a. A detailed analysis of the market, including its size, growth potential, and key players.
- b. A comparison of the three entry strategies, highlighting their strengths and weaknesses.
- c. A recommendation of the best entry strategy, supported by your analysis and reasoning.
- d. A list of key risks and challenges associated with the recommended strategy, along with potential mitigation strategies.

3. **Deliverables:** A written report (10-12 pages) and a presentation (10-15 minutes) to the management team.

4. **Assessment:** Your report and presentation will be evaluated based on the following criteria:

- a. Depth of market analysis and understanding of the competitive landscape.
- b. Clarity and persuasiveness of your arguments for the recommended strategy.
- c. Identification of key risks and challenges, and the quality of your mitigation strategies.
- d. Overall quality of your work, including grammar, spelling, and formatting.
