Testosterone Turkeys And Dolly Observations From A Small Town Columnist:

Testosterone, Turkeys and Dolly Schubert Moore, 2014-10-21 Mr Green was talking to himself sitting on his deck in the dark with three fingers of scotch and a Glock waiting for the raccoons Dave Barry meets Mark Twain Testosterone Turkeys and Dolly is 104 columns from Notes from the Coast a weekly newspaper column about life death what makes things funny what we were and the surprise of what we became What do you expect when a story on what gender is Godzilla is considered news I don't know about you but I don't want to even imagine two Godzillas mating You're a film buff The next selection on your Netflix queue is Attack of the Fifty Foot Vampiress with a D Cup I can imagine you asking just before I croak are you okay No I'm not okay Are you not paying attention I'm dying Need anything I need everything The Constitution should require vegetarians and Republicans to listen to my side while nodding occasionally I've got pretty good algorithm myself as I was told recently at the end of my Zumba workout A friend asked me if margarine rice cakes turkey bacon and fat free sour cream will help her live longer No I said it won't It will just seem longer It's a sobering thought to realize the granddaughter of your granddaughter will not know what you fought for or who you loved Our species is heart warming crazy and frightening One couple named their kid 45 A local mother told her daughters there's no Santa tooth fairy Easter bunny and that guy who lives with us is not your father Come along for the ride
