

1st Grade Fluency Folder

Dear Parent(s),

We have created this Fluency Folder to help your child develop effective reading skills. Your child will need and use this folder throughout the school year. **Please keep this folder safe.** It will be your responsibility to keep this folder intact. **It will not be replaced.** This folder will need to be brought to school and taken home on a daily basis. Below is a list of ways we will use this reading folder:

1. **Sight Words:** These lists contain the first 100 and 200 words from the Fry Instant Word Lists (1980). The students will be required to know how to read the words on each set. The daily practice is designed to help the students build reading fluency. Begin by practicing Set 1. The students will be tested weekly for mastery. *Mastery is being able to read each word in a second (see it, say it).* The student will move on to the next set when at least 75% (20 words) has been mastered. When the child moves into the next set please continue to review any words that have not been mastered from the previous sets. This is part of the daily homework. Please help your child to achieve this goal. These words may be written on sentence strips to be practiced at home.
2. **Sight Word Phrases:** In addition to Sight Word Lists, there are Sight Word Phrases. Please follow the directions indicated for Sight Word Lists. As with the Sight Word List, please remember that the student will move on to the next set when at least 75% (20 phrases) has been mastered. When the child moves into the next set please continue to review any phrases that have not been mastered from the previous sets. These phrases contain the first 100 and 200 words from the Fry Instant Word List (1980). Repeated reading of a few phrases per week gives students practice reading high-frequency words and developing fluency and general proficiency. These phrases may be written on sentence strips to be practiced at home.
3. **Reading Passages:** After the first 9 weeks, the students will begin to use the reading passages found in this folder. The same story will be read 3 times per evening, Monday-Thursday for homework. Your child's Homework Log will indicate which story is to be read each week.
 - a. Your child will read the 1st time to build accuracy. It should be timed for 1 minute. Count the number of words read correctly and record the words per minute (wpm) in the Home Practice section.
 - b. Your child will read the story a 2nd time to practice using punctuation when reading and to develop expression.
 - c. Your child will read the story a 3rd time to develop comprehension.
 - d. In addition to fluency practice, your child will answer one to two questions per night from the passage. This will help to enhance comprehension and vocabulary development.

We have found these reading folders to be very effective in developing reading skills. By working together, your child will become a successful reader.

Texas Reading 1st Fluency Folder:

Making the Most of Small Groups Debbie Diller, 2023-10-10 Author Debbie Diller turns her attention to small reading groups and the teacher's role in small group instruction. *Making the Most of Small Groups: Differentiation for All* grapples with difficult questions regarding small group instruction in elementary classrooms such as: How do I find the time? How can I be more organized? How do I form groups? How can I differentiate to meet the needs of all of my students? Structured around the five essential reading elements: comprehension, fluency, phonemic awareness, phonics, and vocabulary, the book provides practical tips, sample lessons, lesson plans, and templates, suggestions for related literacy work stations, and connections to whole group instruction. In addition to ideas to use immediately in the classroom, Diller provides an overview of relevant research and reflection questions for professional conversations.

Teaching Literacy in First Grade Diane Lapp, 2005-05-05 First grade is a year of important new experiences for students and teachers alike. Some students will arrive knowing how to read; others will know a few letters of the alphabet and most will be somewhere in between. Including dozens of reproducibles, this book guides first grade teachers in the many decisions they face about how to orchestrate effective, appropriate, and engaging instruction. A special strength of the book is the author's deep understanding of the oral language base of literacy learning, both reading and writing, and their expertise in differentiating instruction for English language learners.

centennial anniversary symposium on James Agee held at the University of Tennessee in the fall of 2009 the essays of Agee at 100 are as diverse in topic and purpose as is Agee's work itself Often devalued during his life by those who thought his breadth a hindrance to greatness Agee's achievements as a poet novelist journalist essayist critic documentarian and screenwriter are now more fully recognized With its use of previously unknown and recently recovered materials as well as established works this groundbreaking new collection is a timely contribution to the resurgence of interest in Agee's significance The essays in this collection range from the scholarly to the personal and all offer insight into Agee's writing his cultural influence and ultimately Agee himself Dwight Garner opens with his reflective essay on Why Agee Matters Several essays present almost entirely new material on Agee Paul Ashdown writes on Agee's book reviews which unlike Agee's film criticism have received scant attention With evidence from two largely unstudied manuscripts Jeffrey Couchman sets the record straight on Agee's contribution to the screenplay for *The African Queen* and delves as well into his television miniseries screenplay *Mr Lincoln* John Wranovics treats Agee's lesser known films the documentaries *In the Street* and *The Quiet One* and the Filipino epic *Genghis Khan* Jeffrey J Folks wrestles with Agee's culture of repudiation while James A Crank investigates his perplexing treatment of race in his prose Jesse Graves and Andrew Crooke provide new analyses of *Let Us Now Praise Famous Men* and Michael A Lofaro and Philip Stogdon both discuss Lofaro's recently restored text of *A Death in the Family* David Madden closes the collection with his short story *Seeing Agee in Lincoln* an imagined letter from Agee to his longtime confidante Father Flye The contributors to Agee at 100 utilize materials new and old to reveal the true importance of Agee's range of cultural sensibility and literary ability Film scholars will also find this collection particularly engrossing as will anyone fascinated by the work of the author rightly deemed the sovereign prince of the English language
