Anne Frank was a teenager during World War II. Because Anne was Jewish, she and her family were forced to escape the terror of the Holocaust that swept the continent. Beginning in 1942, Anne kept a diary of the difficult journey of her family. See how Anne's family tried to escape the horror of the war and how her diary became her best friend. **Anne Frank 1929-1945** Richard Tames, 1989 *The Life and Diaries of Anne Frank* Rachel Bladon, 2018. From 1942 until 1944, Anne Frank and her family lived secretly in a few small rooms at the back of her father's office in Amsterdam, never leaving the building. Like many other Jewish families at that time, they were hiding from Hitler's Nazis. While she was in hiding, Anne wrote diaries which described her secret life and the loves, hopes, fears, and dreams of a teenage girl in extraordinary times. After the war, the diaries became famous around the world. This is the story of the diaries of Anne Frank's early years and of her life during and after the time in hiding. **DK Life Stories: Anne Frank** Stephen Krensky, 2019-01-08. In this biography, discover the incredible story of Anne Frank, the courageous young writer who hid from the Nazis during World War II. Anne Frank's diary is read by children and adults worldwide. It tells two stories: one of an extraordinary young girl living in hiding during one of the most fearsome times in history, and one of a relatable young girl facing the same questions and troubles that kids come up against today. Learn how both sides of this puzzle made up the person who is Anne Frank. Meet her family and friends, explore The Annex where they hid, and see her story put in historical context alongside information about World War II and the Holocaust and Hitler and Nazi Germany. This new biography series from DK goes beyond the basic facts to tell the true life stories of history's most interesting people. Full-color photographs and hand-drawn illustrations complement thoughtfully written, age-appropriate text to create an engaging book children will enjoy reading. This book-only edition of *The Life of Anne Frank* 9780228102892 is for libraries only. A compelling visual account of how a Jewish family tried to escape Nazism. In August 1944, Anne Frank and her family were arrested. Anne was taken to Bergen-Belsen concentration camp, where she died of typhus in early 1945, about six months after her arrest and just weeks before the British liberated the camp in April 1945. Anne's father fulfilled his promise and published 1,500 copies of *Achterhuis* or *The Secret Annex* in German. Since then, the newly named *Anne Frank: The Diary of a Young Girl* has sold over 30 million copies in 70 languages. The year 2020 marks the 75th anniversary of the young diarist's death. Anne wrote the diary during the 25 months that her family of four and four others were hiding in the top floor of an Amsterdam office building, now the Anne Frank Museum, which welcomes one and a half million visitors each year. *The Life of Anne Frank* is a compelling, factual account and timeline of those two years. Fascinating photographs show the still-unchanged Annex, including the hidden entrance, and text takes readers directly inside to reveal the surroundings and Anne's story. The book

uses images and text plus a timeline to cover the lead up to war and anti-Semitism the building rented by Frank's father and the decision to hide how the family escaped without detection a who's who of those hiding where they slept cooked bathed and ate how a typical day would pass the necessity to maintain absolute silence the helpers who brought food and news of the war the attic where Anne could catch a glimpse of nature Anne's desk where she put down her secret thoughts fears and dreams the diary and why Anne wrote a second version Nazism the concentration camps and the aftermath how other Jews hid during the war the discovery of the hideaway what happened to the residents when peace came Anne Frank's book is on school reading lists across the country For many it is a reader's first if not only exposure to anti-Semitism and the Holocaust The Life of Anne Frank makes this seminal time in history come alive Young readers can grasp the context and place themselves in Anne's story The vivid visual presentation throughout brings her ordeal to life in a way that words alone cannot perhaps not even Anne's The Story of Anne Frank Eileen Prince, 1991-01-01 Step Ahead 1 Textbook (Express/NA) ,
