The Message Wake Up Do Not Be Deceived:

The MESSAGE: Wake Up! Do Not Be Deceived Sherry Hicks, 2014-10-29 False leaders are on the rise today and are out to deceive many They are leaders that bring about damaging hearsies in order to cause separatism among God s people They speak boastful words and have a covetous heart one that is adulterous They are complainers with bad tempers nothing satisfies them not even their own adulterous appetites They speak harsh of anyone with more authority than they hold and are even cruel to God s true authority leaders They will promise freedom to everyone they encounter but truth be told they themselves are held captive to the punishment of sin All awhile they are exhibiting these types of behaviors they appear to some as true Christians Only true Christians know that they are not the sheep of God but are vicious wolves that are out to demolish you Matthew 7 15

Wake Up! Sleep No More! Asher W. O. Bassie, 2025-09-30 Dear reader I pray that you will receive the blessing which our Lord and Saviour Jesus Christ would like to impart to you through the messages contained in this book I was inspired to write the book after the most powerful profound and life changing event that can ever happen to someone happened to me I am talking about an encounter with Jesus Himself in a very unique yet vivid dream in which He walked and talked with me as Himself and gave me a warning for the Church This encounter was followed over several months by yet another set of dreams which are follow up messages He is directing to His Church specifically and or to some members of the Christian community All five dreams bear powerful witness of His faithfulness to keep His Word He said in the last days He would pour out His Spirit on all mankind and we would dream dreams prophecy and see visions as well as His faithfulness to answer prayers However in addition to the dreams He taught me something which only He could reveal to me It is the hidden Biblical language of numbers and their application and in the process He showed me how to prove to the world using this language that not only is He very much alive and real but also so is our enemy Satan the devil I promise you what you will learn will leave you speechless and in great awe at the wisdom of our great and good Lord and Saviour Jesus Christ the Son of God The message in this book is also one of encouragement for any Christian who is facing great challenges in their life or who is struggling with their faith It is also a warning for those who have fallen away from the Christian faith or who although Christian simply do not care to pursue a relationship with the God of Israel and His Son Jesus I believe the Lord s timing and consequently His inspiring me to write this book is impeccable Within the last five years the world has gone through some major challenges with the loss and pain that the Corona Virus pandemic has caused which was immediately followed by the Russia Ukraine war and the impact that has had on an already weak post pandemic global economy We have seen interest rates go up significantly as commodity prices continue to increase We are hearing of food shortages labour shortages and the woes go on and on not to mention the recent turmoil in Israel and the subsequent war between Israel and her enemies Furthermore the planet itself is in a state of turmoil of its own with ever increasing disastrous weather phenomena earthquakes of the highest magnitudes ever recorded tsunamis and tornadoes of the

strongest magnitude to date hurricanes and floods more severe than the world has ever seen All this is happening as a Satanic movement has begun to sink its roots in societies across the globe and morality is quickly beginning to decline as ungodly practices such as sexual immorality including adults only entertainment pornography strip clubs adultery etc which includes all the activity young women are embracing on social media like Instagram where they can be seen flaunting their bodies in little to no clothing and where a lot of the content is extremely sexually charged witchcraft Satanism and the falling away of many from the Christian Faith is on the rise Occult practices are now openly broadcast on television on radio and on the internet Many music videos openly perform demonic rituals to a mostly unsuspecting world that is either atheist or has not been grounded in the Word of God The majority of people today are accepting unbiblical ideals enforced by governments all over the globe and perpetuated by false Church leaders that in fact are aligned with the Satanic movement which Jesus already warned us would happen shortly before His return Therefore as you shall see there could not be a better time to receive the messages contained within this book I have divided the book into four parts In Part One I will give you a brief discussion on key Biblical prophecies that have come to pass just as foretold and have great significance for our world today I will also discuss End Times prophecies and using empirical evidence graphs from the scientific community as well as other research organizations I will show you how some of these prophecies are beginning to unfold Finally I will summarize these End Times prophecies in one chart which as you shall see will reveal a very eye opening and important Biblical message It is something which will leave you without any doubt that you need to take Bible teachings very very seriously The End of the World as We Know it Daniel Wojcik,1999-05 Wojcik English folklore U of Oregon sheds new light on America s fascination with worldly destruction and transformation exploring the origins of contemporary apocalyptic beliefs and comparing religious and secular apocalyptic speculation He examines vision of the Virgin Mary the transformation of apocalyptic prophecy in the post Cold War era and apocalyptic ideas associated with UFOs and extraterrestrials Includes bandw illustrations and photos Educational and creepy for general readers Annotation copyrighted by Book News Inc Portland OR

Church Growth Our Father God'S Way Velma Davies,2017-09-26 These are fifty personal letters to Christian pastors and all Holy Bible teachers and fifty prophetic messages from our heavenly Father God Father God says that if they will preach one sermon a week using one of these prophetic messages for reference for fifty weeks in one year their church attendance will double and their church income will double It is based on the leaders souls growth in God As the leaders souls grow in God their sermons will improve and people will be fed more of Jesus and more of the Bible As spiritually hungry

people are well fed they will return for more and bring their families and friends **Alien Contact** Bonnie Meyer,2006-02 This is the true story of over thirty years of UFO and alien contact I became involved because I was going to prove that UFOs did not exist This started me on my long journey of finding out what the truth is But then I had contact with the aliens and once it began I balked and questioned everything that they were trying to tell me It did not take me long to realize I had to live a dual existence as I struggled to keep from looking like a nut case For me this is a frustrating journey and yet rewarding I knew the road would be difficult and that there would be ridicule but I keep steadily moving forward Included in the book are discussions with the aliens Some of the topics covered are 1 UFOs and the aliens who are piloting them 2 Where the aliens come from 3 How long the aliens have been visiting Earth and why they are here 4 There are two factions of aliens here at this time 5 Why some of the aliens are abducting 6 The aliens take on our Bible Jesus and The Creator of all 7 The coming earth changes and what it means 8 What the aliens have said about meditation addictions love marriage reincarnation and the soul **Dreams, Visions and Prophecies 2020** Neha and Evans Francis,2022-01-06 This is a record of dreams and open visions given by the Lord to the writer and to a smaller extent his wife in chronological order over 2020 Prophetic in nature they consist of themes of admonition to the believer to shake off their complacency and dallying with the world in view of the lateness of the hour and stern warnings about wolves in sheep s clothing among the Body especially shepherds who mislead their flock with false prophecies and seducing tactics mainly for power and monetary gain There are also vivid visions concerning changes in the government and warnings about violent breakouts and the coming persecution Many are direct messages from the Lord which recur in cycles throughout the narrative testifying to their urgency and the call to be sober and vigilant Above all there is a heartfelt cry to pray and intercede for the nation to keep her from the evil one and for the advancement of the kingdom **Holy Demons** Jeremy Tubbs,2025-02-19 This book is about exposing the truth behind the current state of many churches especially megachurches and the people who use the name of God for personal gain It discusses how some pastors and leaders manipulate God s Word to create personal empires and profit off the faith of others The book addresses the rise of false teachings the manipulation of the prosperity gospel and how people especially vulnerable individuals are being misled It also explores the personal experiences of the author including how they were involved in similar behavior using God s name to justify personal actions and how they eventually recognized the truth The book highlights the importance of staying true to the real purpose of the Church serving others living authentically and focusing on God s Word rather than material wealth or fame Through the author s story and analysis the book invites readers to reflect on what the true Church is meant to represent urging them to move away from deceptive teachings and to share the truth of God s Word with others Ultimately it is about calling people back to the true power of the Gospel transformation healing and salvation 4o mini **Revelations** Victor Bennett,2015-10-30 I have read many books concerning the book of Revelations I have taken a different path if you will I have used the Bible itself to interpret the meaning of this book You will

actually be amazed at the information in the pages of the Bible that refer to Revelations Most people are scared to read this book other just ignore it like the plague and yet right in the beginning the first few sentences actually tells us that this is a blessing to those who heed the Words written and obey them I do not belong to any denomination I do however consider myself as being a child of God I believe that I have done my best in showing you that by reading the Bible piecing the different verses or events you will then actually see how everything falls into a story that makes more sense than I or anyone else has offered Read the book and like the Berians check the scriptures to ensure that what I have written is true
