The Modern World A History 4th Edition Andrea Finkelstein:

The Economic Thought of William Petty Hugh Goodacre, 2018-05-11 William Petty 1623 1687 long recognised as a founding father of English political economy was actively involved in the military colonial administration of Ireland following its invasion by Oliver Cromwell and to the end of his days continued to devise schemes for securing England's continued domination of that country It was in that context that he elaborated his economic ideas which consequently reflect the world of military bureaucratic officialdom neo feudalism and colonialism he served This book shows that much of the theory and methodology in use within the economics discipline of today has its roots in the writings of Petty and his contemporaries rather than in the supposedly universalistic and enlightened ideals of Adam Smith a century later Many of the fundamental ideas of today's development economics for example are shown to have been deployed by Petty explicitly for the purpose of furthering England's colonialist objectives while his pioneering writings on fiscal issues and national accounting theory were equally explicitly directed towards the raising of funds for England's predatory colonial and commercial wars This book argues that exploring the historical roots of economic ideas and methods in this way is an essential aspect of assessing their appropriateness and analytical power today and that this is more relevant than ever It will be of interest to advanced students and researchers in the history of economic thought early modern economic history development economics and economic geography

Harmony and the Balance Andrea Lynne Finkelstein, 2009-12-21 Places the work of major economic writers of seventeenth century England within the broader context of the intellectual revolutions of the period

World Politics, Human Rights, and International Law Francis A. Boyle, 2021-02-04 World Politics Human Rights and International Law examines the functional dynamics between these concepts based upon the author's professional experiences dealing with real world situations problems and crises from the Bush Obama and Trump administrations Iraq Iran Palestine Israel and Syria Bosnia and Herzegovina successfully litigating genocide at the World Court indicting Slobodan Milosevic at the International Criminal Tribunal for the Former Yugoslavia prosecuting American torture and enforced disappearances at the International Criminal Court opposing nuclear chemical and biological weapons citizen civil resistance against state crimes protecting Indigenous Peoples etc The reader can see how the author defined these predicaments from the perspective of international law and human rights and then proceeded to grapple with them and to rectify them This book demonstrates the power of international law and human rights to make a positive difference for international peace and justice as well as for the good of humanity in the real world of international power politics By reading this book the citizen will be empowered and inspired to do the same

How Jewish is Jewish History? Moshe Rosman, 2007-10-25 Moshe Rosman cogently and critically presents the considerations that must be brought to bear on the writing of Jewish history in the light of post modernist thinking

A History of the Jews and Judaism in the Second Temple Period, Volume 3 Lester L. Grabbe, 2020-02-20 This is the third volume of the projected four volume history of the Second Temple period collecting all that is known about

the Jews from the period of the Maccabean revolt to Hasmonean rule and Herod the Great Based directly on primary sources the study addresses aspects such as Jewish literary sources economy Qumran and the Dead Sea Scrolls the Diaspora causes of the Maccabaen revolt and the beginning and end of the Hasmonean kingdom and the reign of Herod the Great Discussed in the context of the wider Hellenistic world and its history and with an extensive up to date secondary bibliography this volume is an invaluable addition to Lester Grabbe s in depth study of the history of Judaism The British National Bibliography Arthur James Wells,2006 *The Developing Person Through the Life Span* Kathleen Stassen Berger,2011-02-18 The seventh edition comes with significant revision of cognitive development throughout childhood revised and updated chapters on adolescence and more attention to emerging and early adulthood It is a thorough revision with new research on everything from genetics to the timing of puberty including brain development life span disorders and cultural diversity It also includes new learning features promoting critical thinking revision and application product description *Quarterly Index of Additions to the Milwaukee Public Library* Milwaukee Public Library,1896 *From Word to Book* Nancy R. Heisey,2024-03-27 From Word to Book addresses questions that the author s students frequently raised about how the Bible was inspired written and passed down through the millennia From the first storytellers to contemporary researchers working with digital technologies the Bible s story reveals fascinating interactions between the divine and the human The book s chapters offer insights both for those who find the Bible central in their life of faith and for those who are skeptical about its claims or even wonder why the Bible matters Brief illustrative texts from readers and scholars ranging across generations and geography enhance understandings about how the Bible as we know it was shaped **The Jew as Ally of the Muslim** Allan Harris Cutler,Helen Elmquist Cutler,1986 Argues that after the rise of Islam in the seventh century Christian Jewish relations cannot be understood apart from Christian Islamic relations Shows that the outburst of antisemitism in Western Europe after 1000 was due primarily not to the deicide charge or socio economic rivalry but to the clash between Christianity and Islam in which Jews were seen as dangerous allies of the Muslims Analyzes the anti Jewish and anti Muslim polemical literature The Spanish Inquisition too was motivated by racial and political motives in persecuting the Conversos who were sincere converts The unprecedented mass conversions of the Jews of Spain and southern Italy in the late Middle Ages can also be explained by the attraction of Spanish Christian culture with its strong Muslim influence

“And in Length of Days Understanding” (Job 12:12) Erez Ben-Yosef,Ian W. N. Jones,2023-08-01 This two volume book presents cutting edge archaeological research primarily as practiced in the Eastern Mediterranean region These volumes key foci are inspired by the work of Thomas E Levy Volume 1 provides an in depth look at new archaeological research in the southern Levant primarily in modern Israel and Jordan inspired by Levy s commitment to understanding social political and economic processes in a long term or deep time perspective Volume 2 focuses on new research in several key areas of 21st century anthropological archaeology and archaeological science Volume 1 is organized around two major

themes 1 the later prehistory of the southern Levant or the Neolithic Chalcolithic and Bronze Age and 2 new research in biblical archaeology or the historical archaeology of the Iron Age Each section contains a combination of new perspectives on key debates and studies introducing new research questions and directions Volume 2 is organized around five major themes 1 the archaeology of the Faynan copper ore district of southern Jordan a key region for archaeometallurgical research in West Asia where Levy conducted field research for over a decade 2 new research in archaeometallurgy beyond the Faynan region 3 marine and maritime archaeology focusing on issues of trade and environmental change 4 cyber archaeology an important 21st century field Levy conceived as the marriage of archaeology engineering computer science and the natural sciences and 5 key issues in anthropological archaeological theory In addition to presenting the reader with an up to date view of research in each of these areas the volume also has chapters exploring the connections between these themes e g the maritime trade of metals and cyber digital archaeological approaches to metallurgy The work contains contributions from both up and coming early career researchers and key established figures in their fields This book is an essential reference for archaeologists and scholars in related disciplines working in the southern Levant and the Eastern Mediterranean **Vision,**

Narrative, and Wisdom in the Aramaic Texts from Qumran Mette Bundvad, Kasper Siegismund, 2019-09-24 The Aramaic Dead Sea Scrolls from Qumran have attracted increasing interest in recent years These texts predate the sectarian Dead Sea scrolls and they are contemporary with the youngest parts of the Hebrew Bible They offer a unique glimpse into the situation before the biblical canons were closed Their highly creative Jewish authors reshaped and rewrote biblical traditions to cope with the concerns of their own time The essays in this volume examine this fascinating ancient literature from a variety of different perspectives The book grew out of an international symposium held at the University of Copenhagen in August 2017
