Mormon Sons - Brian Draper Torey Adamcik Pamela Lillian Valemont, 2015-09-12 When the police came for him Torey declared he knew nothing at all about it The good Mormon boy was quick to point out that he had seen marijuana paraphernalia inside the home located in a smoking room What he failed to mention was that he and his Mormon friend Brian

had stabbed the homeowner's niece to death with 29 horrific plunges from the arsenal of knives they had bought especially for the occasion. She had wanted to be an attorney; they were obsessed with horror films. They had big plans to be film actors, directors or whatever. So they wrote their own film script with 16-year-old Cassie as the star. She was perfect for the role; they said. Long dark hair parted down the middle. Ted Bundy would have loved her. He was their idol. They wanted to be famous, just like him. Their big mistake lay in filming their masterpiece. It earned them the biggest award for any movie ever made by juveniles: a prison term of life without parole in the Idaho Correctional Centre.

Unfit To Fly: Andreas Lubitz Pamela Lillian Valemont, 2015-04-04

Declared unfit to fly. Andreas Lubitz, doctor did not notify authorities. The co-pilot tore up the sick note and reported for work. Then he locked the pilot out of the cabin and drove the plane at 700mph into the Alps, killing himself and 149 others aboard instantly. What evil possessed him to do such a horrific thing? Men, women and little children forced to accompany him on his suicide mission. For five whole torturous minutes the passengers aboard Flight 9525 screamed in terror as the plane went down. Why did he do it? Those were the questions on everyone's lips when Andreas Lubitz drove the Germanwings A320 Airbus he was co-piloting into the France Alps. The plane hit with such force that bodies shattered into pieces and scattered over the craggy terrain, made recovery enormously hazardous. DNA was used to piece together bodies for relatives to claim. This forensic, numerological criminal profile of Andreas Gunter Lubitz gives an insight into the man who committed this Kamikaze carnage.

Mind Behind The Crime Cheryl Critchley, Helen McGrath, 2018-06-26

Nurses and neighbours, partners and parents, all murderers who shocked Australia with the severity of their crimes. But what makes them tick? Society couple Michael O'Neill and Stuart Rattle had it all: their lavish country property, their interior design business, until Michael bludgeoned Stuart to death with a cooking pan. Akon Guode intentionally drove into a lake, leaving three of her children trapped in the car to drown. Geoff Hunt, pillar of the local community, shot dead his wife and their three children before killing himself. From feuds on the farm to the infamous Lindt Caf  Siege in Sydney, *Mind Behind the Crime* profiles Australia's most horrific and often most unlikely killers. Renowned psychologist Dr Helen McGrath and prolific journalist Cheryl Critchley, authors of the bestselling *Why Did They Do It*, join forces again to unpack the crimes and discover the personality disorders of the perpetrators. They use psychoanalysis and scientific methodology to uncover the circumstances and motives of our country's most notorious murderers and to really understand the mind behind the crime.
