

The background of the slide is a composite image. The upper half shows a vast, colorful sky with a large, orange-hued planet or moon on the right side. A bright, glowing sun or star is positioned in the center, casting a wide, radiant beam of light across the sky. Several thin, golden lines of light streak across the sky, suggesting a comet or distant galaxies. In the lower half, there is a body of water, possibly a lake or a wide river, which reflects the bright light from the sun. The water's surface is dark, with a shimmering path of light leading towards the horizon. In the distance, there are silhouettes of mountains or hills under a soft, purple and pink glow. The overall atmosphere is dreamlike and ethereal.
