Tricia Goyer, 2013 Let the simplicity of the Amish draw you closer to God In this instantly connected world it's surprisingly easy to lose our connection to God What's admirable about the Amish lifestyle is that it intentionally slows the pace of life so there's an opportunity to see the everyday grandeur of our great God Not everyone can or should adopt an Amish lifestyle But the Amish can inspire all of us to slow down and simplify our lives We need to learn to let go of our glittering gadgets in order to grab hold of something of infinitely greater value the Divine The One Year Book of Amish Peace will inspire you to set a sustainable pace of life so that you too can take the time to enjoy God's gifts each and every day **The One Year Book of Bible Promises**

research of Masters and Johnson which is the application of their findings to therapeutic intervention that they had intended but did not complete. The addition of others like Helen Singer Kaplan works were incorporated into this practical handbook. It has become the text frequently used in universities, seminaries, and graduate schools. Since 1990, the basics are the same; the table of contents reflects this stability, but the terminology used and the knowledge gained through sex and the brain research organizations like ISSWSH, Dr. Irwin Goldstein, and the Penners' 50 years of clinical experience led to this much needed revised updated version. *Counseling for Sexual Disorders* prepares the clinician and graduate student to have a clear comprehension of the Guidelines and Underlying Principles for the effective use of the evidence based strategies for assessment, therapeutic intervention, and relapse prevention. The tools to implement those processes may be duplicated, including the forms for assessment, the 31 Sexual Therapy assignments, and for gathering data regarding the couple's experience of the completion of the assignments in the privacy of their own home. This revision for professionals is now designed to parallel the client's handbook *Restoring the Pleasure*. Thus, the 31 assignments are identical in both books.
