Body of Secrets James Bamford, 2007-12-18 The National Security Agency is the world's most powerful most far reaching espionage Now with a new afterword describing the security lapses that preceded the attacks of September 11 2001 Body of Secrets takes us to the inner sanctum of America's spy world In the follow up to his bestselling Puzzle Palace James Bamford reveals the NSA's hidden role in the most volatile world events of the past and its desperate scramble to meet the frightening challenges of today and tomorrow Here is a scrupulously documented account much of which is based on unprecedented access to previously undisclosed documents of the agency's tireless hunt for intelligence on enemies and allies alike Body of secrets is a riveting analysis of this most clandestine of agencies a major work of history and investigative journalism A New York Times Notable Book , Congressional Record United States. Congress, 1993 **The Posner Files** Gerald Posner, 2018-10-02 Definitive accounts of JFK's and Martin Luther King's assassinations by a Pulitzer Prize finalist and New York Times bestselling author Case Closed A Pulitzer Prize finalist and New York Times bestseller Case Closed is a vivid and straightforward account that stands as one of the most authoritative books on the assassination of John F Kennedy Drawing from official sources and dozens of interviews filled with powerful historical detail and including an updated comment for the fiftieth anniversary Posner's utterly convincing book lays to rest all of the convoluted conspiracy theories concerning the mafia a second shooter and the CIA that have obscured what really happened in Dealey Plaza on November 22 1963 Chicago Tribune By far the most lucid and compelling account of what probably did happen in Dallas and what almost certainly did not The New York Times Book Review Killing the Dream On April 4 1968 Martin Luther King Jr was killed in Memphis Tennessee by a single assassin's bullet James Earl Ray was seen fleeing from a rooming house that overlooked the hotel balcony where King was shot An international manhunt ended two months later with Ray's capture Though Ray initially pled guilty he quickly recanted and for the rest of his life insisted he was an unwitting pawn in a grand conspiracy In Killing the Dream expert investigative reporter Gerald Posner cuts through phony witnesses false claims and a web of misinformation to put Ray's conspiracy theory to rest and disclose what really happened the day King was murdered A superb book a model of investigation meticulous in its discovery and presentation of evidence unbiased in its exploration of every claim And it is a wonderfully readable book as gripping as a first class detective story The New York Times *JFK and the Unspeakable* James W. Douglass, 2010-10-19 THE ACCLAIMED BOOK NOW IN PAPERBACK with a reading group guide and a new afterword by the author At the height of the Cold War JFK risked committing the greatest crime in human history starting a nuclear war Horrified by the specter of nuclear annihilation Kennedy gradually turned away from his long held Cold Warrior beliefs and toward a policy of lasting peace But to the military and intelligence agencies in the United States who were committed to winning the Cold War at any cost Kennedy's change of heart was a direct threat to their power and influence Once these dark Unspeakable forces recognized that Kennedy's interests were in direct opposition to their own

they tagged him as a dangerous traitor plotted his assassination and orchestrated the subsequent cover up Douglass takes readers into the Oval Office during the tense days of the Cuban Missile Crisis along on the strange journey of Lee Harvey Oswald and his shadowy handlers and to the winding road in Dallas where an ambush awaited the President's motorcade As Douglass convincingly documents at every step along the way these forces of the Unspeakable were present moving people like pawns on a chessboard to promote a dangerous and deadly agenda **Mystery in Acambaro** Charles H.

Hapgood,1999-12 The Acambaro collection comprises hundreds of clay figurines that are apparently thousands of years old however they depict such bizarre animals and scenes that most archaeologists dismiss them as an elaborate hoax The collection shows humans interacting with dinosaurs and various other monsters such as horned men Both Hapgood and Earl Stanley Gardner were convinced that the figurines from Acambaro were authentic ancient artifacts that indicated that men and dinosaurs had cohabited together in the recent past and that dinosaurs had not become extinct many millions of years ago as commonly thought David Hatcher Childress writes a lengthy introduction concerning Acambaro the latest testing and other evidence of living dinosaurs **Murder in Dealey Plaza** James,2013-11-01 We now know vastly more about the

killing of John F Kennedy than was known 20 or 30 years ago and new evidence is accumulating almost every day This new evidence is being uncovered by the bold application of scientific and technological expertise to the assassination records including the film photographic and autopsy records Murder in Dealey Plaza presents the latest and best of the new assassination research As a result of these freshly uncovered findings it is possible to say with moral certainty and considerable scientific authority that the murder of President Kennedy was committed by a meticulously executed conspiracy which was then observed by an extensive cover up *Final Report of the Assassination Records Review Board* United

States. Assassination Records Review Board,1998 *Final Report of the Kennedy Assassination Records Review Board* John R. Tunheim,1999-03 The final report on the assassination of President John F Kennedy The Review Board has worked hard to obtain all records relating to the assassination of President Kennedy and to release the records to the fullest extent possible to the American people They have done so in the hope that release of these records will shed new evidentiary light on the assassination enrich the historical understanding of that tragic moment in American history and help restore public confidence in the government's handling of the assassination and its aftermath *Investigation of the Assassination of*

President John F. Kennedy United States. Congress. House. Select Committee on Assassinations,1979 **The Secret Fidel Castro** Servando Gonzalez,2001 The Secret Fidel Castro follows what intelligence services call a CPP short for Comprehensive Personality Profile which focuses on different aspects of Castro's actions and personality The main thesis of this book is that there are many different Castros [Hit List](#) Richard Belzer,David Wayne,2016-06-07 Richard Belzer and David Wayne are back to set the record straight after Dead Wrong this time they're going to uncover the truth about the many witness deaths tied to the JFK assassination For decades government pundits have dismissed these coincidental deaths

even regarding them as myths as urban legends Like most people Richard and David were initially unsure about what to make of these coincidences After all events don't consult the odds prior to happening they simply happen Then someone comes along later and figures out what the odds of it happening were Some of the deaths seemed purely coincidental heart attacks hunting accidents Others clearly seemed noteworthy witnesses who did seem to know something and did seem to die mysteriously Hit List is a fair examination of the evidence of each case leading to necessarily different conclusions The findings were absolutely staggering as some cases were clearly linked to a clean up operation after the murder of President Kennedy while others were the result of other forces The impeccable research and writing of Richard Belzer and David Wayne show that if the government is trying to hide anything they're the duo who will uncover it *Destiny Betrayed* James DiEugenio, 2012-11-26 Thrilling and informative guide to the life and death of JFK Ideal for fans of *In Cold Blood* and Oliver Stone's JFK Revised and expanded version of DiEugenio's original book Twenty years ago before the ages of Obama and Trump James DiEugenio wrote the first edition of *Destiny Betrayed* In this second edition of *Destiny Betrayed* he returns to familiar topics and introduces new information What was the truth and what were the lies What were the inside politics of Kennedy's America This book is an investigative look at these questions and more The author focuses equally on Kennedy and Garrison providing a unique insight into the Garrison inquiry DiEugenio updates all of the topics that he introduced in 1992 with the first edition of *Destiny Betrayed* He has used the declassification process of the Assassination Records Review Board ARRB to gain the most current and accurate information on subjects including Clay Shaw and the Garrison investigation US Cuban policy from 1957 to 1963 the newly exposed mistaken beliefs of the Warren Commission Kennedy's challenge to the Cold War consensus in 1961 and where he came up with that challenge and more The author primarily emphasizes the New Orleans aspects of the Kennedy murder investigation the Garrison inquiry and the new and secret data that strengthens Garrison's case *The Radical Right and the Murder of John F. Kennedy* Harrison E. Livingstone, 2004 *The Radical Right and the Murder of John F Kennedy* Stunning Evidence in the Assassination of the President Harrison E Livingstone's major new book the fifth of his works on the death of JFK brings together for the first time all of the central evidence demonstrating a domestic Right Wing conspiracy rooted in Texas which assassinated the President on November 22 1963 The book represents forty years of work The book discusses in great detail the actual medical evidence and the forgery of the autopsy photographs and X rays which Mr Livingstone first exposed the alteration of the autopsy report the framing of the designated patsy Lee Harvey Oswald and the substitution and fabrication of every single piece of evidence It discusses the role played in the murder by some of the most powerful men in the country Lyndon Johnson J Edgar Hoover and Richard Nixon as well as the rich oil men and companies who backed them It then describes the cover ups by the media the major investigations over the years the FBI and the mind control cooperation at work in the case to misdirect researchers and the public The book describes in great detail the people and companies in Texas who planned and carried out the assassination It
