If you're among them, you may know all too well how little modern medicine can do to alleviate your condition. But that's no reason to give up hope. In this groundbreaking book, Sarah D. Ballantyne, PhD, draws upon current medical research and her own battle with an autoimmune disorder to show you how you can become completely symptom-free the natural way. *The Paleo Approach* is the first book ever to explain how to adapt the Paleo diet and lifestyle to bring about a full recovery. Find out which simple lifestyle changes, along with changes in diet, will make the biggest difference for your health. There's no need to worry that going Paleo will break the bank or require too much time in the kitchen preparing special foods. In *The Paleo Approach*, Dr. Ballantyne provides expert tips on how to make the switch easily and economically. Complete food lists with strategies for the day-to-day, how to stay within your food budget, where to shop for what you need, how to make the most out of your time in the kitchen, and how to eat out, take all the guesswork out of going Paleo. Hashimoto's Marc Ryan, LAC, 2017-06-20 Here's the simple truth about Hashimoto's. It's way more than a thyroid problem. And even though it's an autoimmune disease, it's also way more than an immune system problem. Over time, it progressively becomes a body-wide disorder. Most people are familiar with the common hypothyroid symptoms of fatigue, brain fog, weight gain, sensitivity to cold, hair loss, and constipation. But what many people don't seem to understand is that many Hashimoto's patients also have anxiety and depression, acid reflux, blood sugar imbalances like hypoglycemia and insulin resistance, intestinal permeability, anemia, food intolerances, and much more. This is not coincidence. It is all caused by repeated patterns of one system of the body breaking down and bringing other systems down with it. This causes vicious cycles that lead to the breakdown of the gut, the brain, the adrenals, the stomach, the gall bladder, the liver, and every other major organ in the body. *How to Heal Hashimoto's* offers a practical, easy-to-follow approach that treats the whole body by figuring out what is breaking down and then developing a plan for fixing it. Using an autoimmune diet, lifestyle changes like meditation and qi gong, and other natural interventions, Marc Ryan shows you how to transform these vicious cycles into positive healing momentum, thereby allowing the body to return to balance. Get ready to take charge of your health and reclaim your life.
