Witch Switch Alyson Belle, I can't believe I agreed to go to this silly gender swap Halloween costume party dressed like a sexy female witch. And even worse my friend Chelsea is dragging me to a stupid fortune teller. What a scam. Magic isn't real. What is she going to turn me into a real sexy witch? Hah. Yeah, right. Max Cooper grudgingly agreed to dress up like a female witch for his friend Kyle's gender swap Halloween party and his pal Chelsea offered to doll him up so well that no one would be able to tell he wasn't really a girl. She did such a good job that even Kyle's friend Mitch is fooled into thinking that Max is just another hottie at the party. But when Max and Chelsea go to have their fortunes read by the mysterious Madame Orlando, Max can't shut up about how it's all a scam and how magic isn't real. Chelsea apologizes but not before the Madame offers Max a chance to see just how real her magic can be. Now Max is stuck as Maxine, the sexiest witch at the party. But what is she going to do with her new hot little body? Only one thing is for certain: Mitch sure looks great now that Maxine has an all new female set of appetites and suddenly she's dying to find out just how wild Halloween can get. *Dark Gender Swap Omnibus* Eric Filler,2018-10-30 Some gender swap stories are light and happy; these are not that. Gender Swap Clinic: On Display (Gender Swap Aphrodisiac Menage and Medical Femdom Humiliation Erotica) Nina Nauheim, 2015-10-09 Medical intern Calvin Stowe was making a nuisance of himself getting shunted from one department to the next by his arrogance and disrespect for the women of the Edelman Carter Institute

When a particularly crude remark about his female superior's ass proves the last straw she transfers him to work with Dr Sandra Elby the famous researcher. Convinced he's been promoted he smugly arrives on the third floor to begin work only to learn that he's being recommended not as a lab assistant but as a test subject. Soon the new hormones and pleasure treatments designed to make him more feminine and docile have him forgetting he ever wanted to leave in the first place and what was once the office jerk has become the lab bimbo, horny, submissive and eager to please any man who walks through the door. Funnily enough that's exactly what Dr Elby had in mind when she made him into the horny little slut that he's become. Now that the physical changes are complete it's time to put her new pet on display and loan her out for a few dozen test runs.

Reader Advisory: This story is for mature audiences only and features intensely erotic situations, femdom, humiliation, feminization, gender swap, bimbofication and the use of potent aphrodisiacs, multiple partners and rough group sex, sexual manipulation, submissiveness and dominance. All characters are 18 or older.

Excerpt: She's at her most docile immediately after a session. Dr Elby went on, "This was usually when I found it easiest to take measurements and gauge progress. At other times she can be a little excitable. That is, if you'd like to examine her now, would be a good time." A babble of quiet speculation met his words. Several of the researchers approached me. They were initially dubious but I smiled encouragingly at them, happy to show I could be cooperative and managed to stand up straight and expectant. Dr Elby usually gave me a little longer to recover after an orgasm but I was supposed to be on especially good behavior. They surrounded me, obviously enthusiastic about the chance to examine me. Curious fingers felt the smoothness of my skin, the contour of my side and ran through my thick, lush hair. I basked quietly in their attention and let them touch me wherever they wanted. All the little caresses, ten or twelve hands on me at once, gave me the hot sort of dirty feeling that my body was public property.

From Husky to Hottie - A Magical Gender Swap Story Sage Reamen, 2013-12-30

Danny's sarcastic attitude has always gotten him into trouble. But when he falls victim to an old fortune teller's curse, he's about to get his just deserts because he's been transformed into a woman. Now stuck in the body of a beautiful girl, Danny is desperate to undo the magic spell until that is, he gets his first taste of sexual freedom in his new feminine body. And it's about to come at the hands of his two former friends who know nothing of the transformation that Danny has undergone. Danny stood in line at the burger joint waiting for her turn. She fidgeted with her keys, impatiently waiting for the guy in front of her to place his order. Then out of the blue she squealed as she felt someone cupping her ass from behind. A hand, a rather large one at that, had grabbed her from behind and squeezed. She wheeled around, prepared to slap the cheeky bastard, only to see Rick standing there with a sly gleam in his eyes. Hey sugar, Of all the luck. Here was one of her best friends hitting on him on the very first day. Her cheeks reddened with embarrassment at the unaccustomed intrusion. Rick saw the pink flush to her cheeks and took it as a green light. He stepped in closer, brushing his pelvis against her hip, his hand on her waist. Pretty girl like you shouldn't

be here all alone My buddy s out in the car why don t you come with us Danny wanted to protest to tell Rick to fuck off to slap him push him away call him a creep loud enough for everyone to hear But she couldn t Madam Lydia s words echoed through her mind if she experienced what it is she used to be like from the other side maybe it would free her from the curse Besides if she had to hook up with someone it may as well be Rick right She looked up into his eyes and nodded though she could tell she flushed even deeper as she did so Rick grinned looking somewhat surprised before leading Danny out to the parking lot prattling all the way What s your name sweet thing Da Danielle I m Rick There in the car is Salvatore Suddenly Rick s hand was on her ass rubbing and caressing Danny started to push him away but was shocked to find herself getting aroused

when she comes back she's scheduled him for a doctor's visit and found a very special pill for him to take and he better not argue. But maybe he should have tried because overnight the snide young man finds himself turned into a very confused and very horny bimbo. His stepmother says it'll teach him a lesson in seeing the other side of those demeaning porn scenes but all Chrissy seems to be learning is how much her new body expects the doctor's appointment to turn into something more and once the doctor gets his hands on the voluptuous girl on his exam table it won't take long before he starts getting similar thoughts.

Excerpt: Her face was cool and a little revolted as she pushed open my door but she was walking with purpose and authority that I couldn't ignore. Here she said holding out a pill and a glass of water: "Take this. What is it? Did I tell you that you could ask questions you little brat? I had to go all over town to find that. Take it and say thank you." Dubiously I looked at the pill and then back up at her. The expression on her face beautiful but more than a little frightening was enough to stop any further objections. Reluctantly I swallowed the pill. It was very bitter. "I'll see you in the morning," she said smiling. Her expression seemed just the littlest bit sadistic but then she was gone. I sat on the bed wondering what was going on.

Andrew Granfors is all business all the time and it's his willingness to do anything to get ahead that's helped him build his little clothing line into a full fledged sportswear brand. But he's taken things just a little too far when he turns to moneylaundering to help his struggling bottom line a decision that brings him in contact with types of men he might not be ready to handle. Now when he tells the outlaw MC president he needs to take a break from their agreement the biker seems to want to help and offers Jack a pill that will help him focus and get his books in order. But soon Jack finds out that helping him get ahead wasn't exactly what the tattooed outlaw had in mind and the drug he's given him is going to do just about everything but help him focus on paperwork. Soon Andrew finds himself in a new body female sexy and sex crazed and while parts of her might be enhanced her brain certainly won't be one of them. Before the helpless gender swapped bimbo knows what's happening new feelings have drowned out the little voice that says no and her urges have pushed her into the arms and at the mercy of the gang leader and his biker buddies who are more than happy to help her fill her sudden cravings.

Excerpt: What he was telling me seemed to be important but I kept getting distracted by the man sitting nearest to me on the right side of the table. He had a short beard and a lean well muscled body

He had laid his jacket across the back of his chair and was wearing just a thin tank top that rippled with his muscles when he shifted He was one of the ones with pure lust in his eyes and those eyes hadn't left my ass since I walked in the room He seemed to want to do something and I kind of wanted him to do it whatever it was The way he was looking at me sent little shivers right up and down my needy body What do you mean I asked now staring openly at the man to my right He looked up and gave me a wink and I giggled a little nervously It's a drug that makes men look and feel like you're looking and feeling right now Horny I asked before I could think to stop myself He laughed Exactly sweet thing Exactly But don't you worry we've got a good idea what to do about it Notice This title includes themes and passages that have been adapted from Jessica Whitethread's Bimbo Lawyer Series with full consent of the original author
