The Medieval Manuscripts At Maynooth Explorations In The Unknown:

The Medieval Manuscripts at Maynooth Peter J. Lucas, Angela M. Lucas, 2014 This book provides an in depth guide to the Maynooth medieval manuscripts some sixteen of them plus fragments with illustrations The descriptions of the manuscripts include complete palaeographical and codicological details and full information on the contents of the manuscripts and their history as far as it is known Some of the manuscripts are of particular importance either for their texts or for their illustrations which are of good quality or in one case because of the particular circumstances in which it was made This material has lain mostly unknown for up to two hundred years and in most cases the works contained in the manuscripts have not hitherto been identified For the first time consideration is also given to the collection as a whole and how its make up may reflect the history and character of the institution where it was built up In the absence of any one major donor whose interests might have dominated the collection grew over decades mainly in the nineteenth century It therefore reflects the tastes of a succession of senior members of the college plus a few donors Publisher description **Archiv für Diplomatik, Schriftgeschichte, Siegel- und Wappenkunde** Irmgard Fees, Andrea Stieldorf, 2021-01-18 Das Archiv für Diplomatik AfD bietet ein internationales Forum für Forschungen und Darstellungen zu den Historischen Grundwissenschaften und von ihnen ausgehend zu ihren Nachbardisziplinen vom Frühmittelalter bis zur Gegenwart Das Schwergewicht der falls erforderlich mit Abbildungen und Graphiken reich ausgestatteten Aufsätze und Miscellen liegt auf den Gebieten des Urkunden Akten Amtsbuch und Archivwesens und der Schriftgeschichte Gleiche Aufmerksamkeit gilt Untersuchungen zum Siegel und Wappenwesen sowie zur Genealogie **Exodus** Peter J. Lucas, 2020-05-31 Exodus is an exceptional Old English poem written at a time when in the age of Bede Northern England held the intellectual leadership of Europe It offers a vernacular gateway to the study of early medieval christian poetry Focussing in dramatic fashion on the crossing of the Red Sea enabling the Israelites to escape captivity in Egypt the poem is stylistically outstanding showing a use of metaphor and fusion of disparate concepts such as abstract and concrete literal and allegorical unparalleled in Old English poetry The exodus the greatest of Old Testament events is interpreted both within the historical perspective of other Old Testament events the Deluge and the Offering of Isaac and within the allegorical perspective of the exodus to the Promised Land seen as the christian's journey through life to the ultimate heavenly home This book now in its third edition aims to make the poem more accessible and better understood and appreciated than hitherto A number of changes to the Introduction Commentary and Glossary as well as a new Select Bibliography help to bring the apparatus up to date and draw attention to the many fine contributions to the poem made by other scholars **Medieval Manuscripts**, 2010 *Medieval Manuscripts*, 1989 *Medieval Manuscripts* Kay Sutton, Sam Fogg, 1991 *The Medieval Manuscripts in Keble College Oxford: Netherlands* Malcolm Beckwith Parkes, Keble College (Oxford), 1979 **The Medieval Manuscript Library of Pembroke College, Cambridge** Medieval Manuscript Library (Cambridge), 1991 *The Medieval Manuscripts Library of Pembroke College, Cambridge* Medieval
