front Government directives have ensured that the returning men resumed the jobs their women managed so brilliantly through the gruelling years of war But Waldo is no ordinary character and while he has come to Bexham on a personal mission his effect on all the residents is as warming as the electricity of which there is still such a shortage For Judy whose marriage to Walter has been badly affected by long years of separation for Rusty whose miscarriage has been mind shattering for Mathilda whose single motherhood has put her eligibility in jeopardy and for Meggie still not recovered from her alter ego as a secret agent No matter what the age or circumstances of the person Waldo Astley is not just a breath of fresh air but the wind off the sea
