Camp TV of the 1960s Isabel Cristina Pinedo, Wyatt D. Phillips, 2023 Camp TV of the 1960s offers a comprehensive understanding of all of the many forms camp TV took during that critical decade In reevaluating the history of camp on television the authors reconsider the infantilized conceptualization of sixties television which has generally been characterized as the creative and cultural ebb between the 1950s Golden Age of television and the networks shift to relevance in the early 1970s Encompassing contributions from a broad range of media and television scholars that reconsider programs like Batman The Monkees The Addams Family Bewitched F Troop The Beverly Hillbillies and Rowan British camp television programs such as The Avengers the use of musical codes to convey camp humor even on black and white sets the role that the viewing strategies of queer communities played and continued to play even decades later and how camp's multivalence allowed for more conservative readings especially among older audiences which were critical for the move to mass camp throughout American culture by the early seventies Camp TV of the 1960s is essential reading for students and scholars in television studies and others interested in the history and theory of camp the 1960s or popular culture as well as fans of these well known but generally understudied television programs Movie Maker, 1976

Transatlantic Television Drama Matt Hills, Michele Hilmes, Roberta E. Pearson, 2019 In 2014 the UK science fiction television series Black Mirror was released on Netflix worldwide quickly becoming a hit with US audiences Like other beloved British imports this series piqued Americans interest with hints of dark comedy clever plotlines and six episode seasons that left audiences frantic for more In Transatlantic Television Drama volume editors Michele Hilmes Matt Hills and Roberta Pearson team up with leading scholars in TV studies and transnational television to look at how serial dramas like Black Mirror captivate US audiences and what this reveals about the ways Americans and Brits relate to each other on and off the screen Focusing on production strategies performance styles and audience reception chapters delve into some of the most widely discussed programs on the transatlantic circuit from ongoing series like Game of Thrones Downton Abbey Orphan Black and Sherlock to those with long histories of transnational circulation like Masterpiece and Doctor Who to others whose transnational success speaks to the process of exchange adaptation and cooperation such as Rome Parade's End Broadchurch and Gracepoint The book's first section investigates the platforms that support British American exchange

from distribution partnerships and satellite providers to streaming services The second section concentrates on the shift in meaning across cultural contexts such as invocations of heritage genre shifts in adaptation performance styles and in the case of Episodes actual dramatized depiction of the process of transatlantic television production In section three attention turns to contexts of audience reception ranging from fan conventions and fiction to television criticism the effects of national branding on audiences and the role of social media in de or re contextualizing fans response to transnational programs
