Leonard Bernstein: West Side Story Nigel Simeone, 2017-07-05 One of

the Broadway musicals that can genuinely claim to have transformed the genre West Side Story has been featured in many books on Broadway but it has yet to be the focus of a scholarly monograph Nigel Simeone begins by exploring the long process of creating West Side Story including a discussion of Bernstein's sketches early drafts of the score and script as well as cut songs The core of the book is a commentary on the music itself West Side Story is one of the very few Broadway musicals for which there is a complete published orchestral score as well as two different editions of the piano vocal score The survival of the original copied orchestral score and the reminiscences of Sid Ramin and Irwin Kostal reveal details of the orchestration process and the extent to which Bernstein was involved in this Simeone's commentary considers musical characteristics and compositional techniques used to mirror the drama for example the various uses of the tritone motivic development the use and reinvention of Broadway and other conventions the creation of dramatic continuity in the score through the use of motifs and other devices the unusual degree of dissonance and rhythmic complexity at least for the time and the integration of Latin American dance forms Mambo Huapango and so on Simeone also considers the reception of West Side Story in the contemporary press The stir the show caused included the response that it was the angular edgy score that made it a remarkable achievement Not all reviews were uncritical Finally the book looks in detail at the making of the original Broadway cast recording made in just one day included on the accompanying downloadable resources

Kisses From Jack: The Other Side of a Billionaire Love Story Krista Lakes, Finally kisses from the billionaire's point of view Jack Saunders wanted one last hurrah before taking the mantle of DS Oil Gas the billion dollar company that his father founded His friend Owen let him borrow his mansion on a tropical island so that he could throw a final party before marrying the business that would dominate the rest of his life He brought his secretary Brandy hoping that he could kindle a relationship that would last through the long days and nights of running a company However while the party was great the gold digging woman he brought was not and Jack resigned himself to a lifetime of loneliness That was until he took a walk down the beach and met her A woman who didn't recognize him from the tabloids and only saw him the man behind the money Of all the women Jack had ever met there was nobody like Emma LaRue With one pretend marriage ceremony she would change his life forever and become the only one he ever wanted to give his saltwater kisses to This novella is the first half of Saltwater Kisses written from Jack's point of view with a few bonus scenes thrown in as well It contains the first half of Saltwater Kisses as a sample and also throws in the cast of all the Kisses books in an ensemble that is sure to make any of Krista Lakes fans happy Emma pushed open her door and nearly stepped inside before he caught her What do you think you're doing Jack asked his eyes twinkling Despite running along the beach he wasn't out of breath from running He was out of breath controlling himself with Emma It had taken every ounce of willpower he processed to get her back to the hotel room The only reason he had managed to wait was that it was technically their wedding He was looking forward to this part Opening the door Emma cocked her head to the side confused She had sprinted just as hard to get back here With a fluid motion Jack

scooped her up in his arms She giggled as she realized what he was doing wrapping her arms around his neck and holding him close She pressed her nose into his throat and inhaled taking in the scent of him It made his heart race with primal need He carried her to the bedroom setting her down gently on the floor She held onto him for an extra moment as if she were soaking him into her skin When she looked up at him her long lashes fluttering over sea green eyes his heart melted into a puddle on the floor She stepped back and in a one smooth motion raised the hem of her sundress up and over her head All she had on was a pair of tiny white panties Jack s breath caught and all the need he had been keeping tamped down came roaring to life
