The Matryoshka Murders:

The Matryoshka Murders Kay Williams, Eileen Wyman, 2015 KATE HENNESSEY HAS ARRIVED with colleagues in January 1991 to take part in Leningrad's Second International Documentary Festival. The USSR is in severe economic and political crisis. Crime is rampant, shelves are bare. Kate stumbles into an illegal meeting of women and audiotapes their descriptions of the harshness of their lives as well as their criticisms of current leaders. There, Sveta, age 17, confides to her that she is afraid she will be killed. Kate offers to help and is swept up in a series of frightening events beginning with Kate and Sveta's abduction by Kolya, a drunken cab driver, to a cemetery on the outskirts of Leningrad. Kate is robbed of earrings her lover Gilly has given her, then left to die in the bitter cold. She makes it to a nearby inn, believing that Sveta also escaped. Was the abduction random, part of the escalating crime wave? Was it meant for Sveta, who feared for her life? Or was Kate herself the target? She might be under scrutiny, Kate decides, because when she first arrived, she inadvertently videotaped an officer with a scarred face talking with a baby-faced civilian in a gray designer suit in the hotel bar. Since then, a red-haired soldier, one of the many soldiers roaming the hotel, seems to be following her. Her guide book warns: No pictures allowed of the military. Kate's more worried about the fight that she and Gilly had just before she left the U.S. and she throws herself into gathering more footage. Her letters from Leningrad for her NYC course in guerrilla filmmaking. As rumors circulate of an impending coup, Kate discovers that Sveta is missing and tapes a video interview of Sveta's lover, 17-year-old Nadya, who has been raped by the police because she is *rozovaya* (gay). Kate learns to her horror when she and Nadya visit the Kaf Dusha Café, a dairy bar where gay women socialize, that Sveta may be incarcerated in a Psychiatric Clinic for the Cure, drugs and shock therapy. Or she may be dead. After an invasion into her hotel room while she sleeps and a near miss by a speeding convoy truck at the Palace of Pavlovsk, Kate understands that she is not a victim of Leningrad's rising crime wave but that there is a real plot to kill her as well as to confiscate her videotapes. An attack against her as she shops along the Nevsky Prospekt and a devastating fire in the wing of her hotel force her to flee Leningrad with the help of new Russian friends. She is pursued by the scar-faced KGB officer and the local police who have found Sveta's frozen body in the cemetery pond. BACK HOME IN HER NYC APARTMENT, Kate finds that the danger overseas has come straight to her doorstep. What she discovers not only threatens her hopes for a happy future with Gilly but everything she thought she knew about the past and present, good and evil, and the deadly price of keeping silent. Advance Reviews Gutsy Kate Hennessey is filming a documentary that targets the harsh choices faced by women in Russia. But killers soon target Kate and each harrowing escape draws her deeper into the nested plots that threaten. Readers will cheer as she and her Russian friends struggle through the political chaos of Russia and America in 1991. PM Carlson Murder in the Dog Days A chilling thriller if there ever was one. It begins with a terrifying icy chase through a dark snow-packed cemetery in the brutal cold, and the excitement ratchets up from there. Read this book. Thea Tuohy The Five O'Clock Follies In this intriguing, fast-moving, very

readable thriller the authors have effectively captured the Russian atmosphere which despite perestroika and glasnost is as murky and menacing as ever and in which the KGB continues to remain in total control Albert Ashforth *The Rendition*

The Murder of Alexander Litvinenko Boris Volodarsky, 2023-08-03 In his famous *Moonlight and Vodka* Chris de Burgh got it right Espionage is a serious business And like every serious business it must be taken seriously Less than two decades after the untimely death of Sasha Litvinenko poisoned at the heart of London s Mayfair by Russian secret agents by the previously unknown radioactive substance containing a fatal dose of Polonium 210 it is hardly remembered by anyone in the West No wonder we live in an information rich world when the wealth of information means a dearth of something else a scarcity of whatever it is that information consumes Such an obvious thing was suddenly discovered by a simple old man from Milwaukee and he s got a point there This book is about the murder of Alexander Litvinenko whose legal case seems to many people like open and shut Even to his widow Marina and their son To MI6 MI5 and the Special Operations branch of the London s Metropolitan Police who presented it to the public as thoroughly investigated and closed To judge Sir Robert Owen appointed to hold the inquest into the death of a Russian Spy as the BBC and other media has put it a terrible mistake To journalists and writers who had been following this case for as long as a decade not to mention the prime suspect living a good life in Moscow But not for me For me this case remains open

Murder Go Round Carol J. Perry, 2017-01-31 An antique carousel horse sends Salem Massachusetts into a spin in this eerie murder mystery Highly original and great fun Carolyn Hart New York Times bestselling author of *Ghost Ups* Her Game Lee Barrett has agreed to attend a storage auction with Aunt Ibbey even though she suspects the forgotten rooms will yield more junk than treasure Her skepticism vanishes once the two win an overlooked locker and uncover a trove of beautiful curiosities including a stunning wooden carousel horse with gentle eyes and fading paint But just before Lee leaves the fairground relic at a local repair shop the sight of a silver samovar awakens her psychic abilities and conjures visions of murder Lee prays the intrusive ESP episode was just a glimpse into the past until her policeman boyfriend reports a dead man outside the shop Apparently the unknown victim had been hot on Lee s trail since the auction And with the horse found dismantled it looks like he was up to no good What s the story behind the antique equine and could a strange bubblegum chewing woman with fiery hair have something to do with it all Guided by her gift and O Ryan her wise tabby cat Lee s set on catching the murderer before she s sent on the darkest ride of her life Praise for *The Witch City Mysteries* Perfectly relaxing and readable Kirkus Reviews This rewarding paranormal cozy series debut will have Victoria Laurie fans lining up to follow Library Journal Keeps readers guessing until the very twisted and eerie end RT Book Reviews

New Directions in Genocide Research Adam Jones, 2012-03-12 Genocide studies is a relatively new field of comparative inquiry but recent years have seen an increasing range of themes and subject matter being addressed that reflect a variety of features of the field and transformations within it This edited book brings together established scholars with rising stars and seeks to capture the range of new approaches theories and case studies in

the field The book is divided into three broad sections Section I focuses on broad theories of comparative genocide covering a number of different perspectives Section II critically reconsiders core themes of genocide studies and unfolds a range of challenging new directions including cultural genocide gender and genocide as it pertains to both women and men structural violence and the novel application of remote sensing technologies to the detection and study of genocide Section III is case study focused seeking to place both canonical and little known cases of genocide in broader comparative perspective Cases analyzed include genocide in North America the Nazi Holocaust the Armenian genocide and the Sri Lankan genocide The combination of cutting edge scholarship and innovative approaches to familiar subjects makes this essential reading for all students and scholars in the field of genocide studies

Moved to Murder Gianetta Murray, 2024-06-10 Vivien Brandt forty something editor librarian and future interior designer extraordinaire has spent decades dreaming about a life in England and thanks to her marriage to second husband Geoffrey her dreams are finally coming true She and her cat Sydney who is considerably less excited about leaving the warmth of California are the newest inhabitants of a cosy South Yorkshire village But as Vivien meets the locals including the vicar a charismatic politician and a pair of troubled teenagers she finds she still has a lot to learn about her new home Especially after she discovers a body in it Now she must work with her neighbor Hayley and a somewhat mistrustful police inspector to uncover the village's secrets and find a killer Preferably before the killer finds her Because it seems when the chips are down the only common language between America and Britain is murder
