Traveling through the Boondocks Terry Caesar,2000-07-03 What is it like to be a faculty member at a university in the United States that enjoys no reputation or distinction *Traveling through the Boondocks* discusses this situation not from the top down but from the bottom up where the experience of exclusion ranges from that of departments where scholarship gets to count in hiring decisions to conferences where only individuals from elite institutions get to appear on stage This book reinvigorates our understanding of higher education by illuminating the everyday conditions under which academics work and the hierarchical distinctions in which they are always embedded

Cultural Diversity in the Armed Forces Joseph L. Soeters,Jan Van der Meulen,2007-01-24 This volume explores ethnicity and gender developments in relation to the military In some countries the armed forces have a long history in responding to ethnic diversity while elsewhere it has come up only recently as a policy issue An even handed representation of ethnic minorities in the military is recognized as crucial for enhancing its social legitimacy and professional quality The same can be said about the integration of women in the military which during a few decades across the board has grown into more than just another issue of personnel policies Indeed with regard to gender the symbolism and sensitivities surrounding core identities are at stake as with the presence of gays and lesbians in the military Written by experts in the field the chapters cover fourteen countries around the world the USA Canada Bolivia Ecuador Brazil South Africa Eritrea India Israel Great Britain France Germany Belgium and The Netherlands Taken together the armed forces of these countries offer a fascinating mix of similarities and differences in the ways they try to manage cultural diversity Cultural Diversity in the Armed Forces will be of interest to students and scholars of military studies sociology gender and political science

Senior Female International Managers Margaret Linehan,2019-07-12 This title was first published in 2000 Linehan management Cork Institute of Technology studies 50 European senior female managers in a variety of organizations who have made at least one career move across national borders She compares the careers of these women with a number of theoretical explanations for the relative dearth of women in these positions She finds that many of the problems facing domestic female managers also face international managers specifically assumptions that management skills and

organizational commitment are societally associated with masculinity

Global Perspectives on Gender and Work

Jacqueline Goodman, 2000-04-16 Central to all our lives work affects our status in the state the family and the economy This comprehensive reader examines the myriad ways in which work whether it is well paid unpaid or underpaid profoundly influences our roles in both the public and private spheres Jacqueline Goodman has selected a key set of essays that examine influential arguments on such central themes as 1 the origins of the gendered division of labor 2 historical trends and economic transformations that affect and are affected by women's position in market and non market work 3 the effects of occupational and job segregation by sex on status pay and promotion 4 the ways in which formal and informal organizational culture shape and in turn are shaped by gender in professional and managerial positions 5 class consciousness among wage earning men and women 6 the different forms of gender discrimination that women and men face in the workplace 7 the problems working parents face and the ways in which different societies subcultures and genders cope and 8 alternative approaches to improving the lives of working women and their families in the global economy With its rich interdisciplinary perspective this text is ideal for courses in sociology political science anthropology and women's and gender studies

The Oldgirl Network: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. The Oldgirl Network : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
