WILLARD E. MITCHELL read her first Harlequin novel when she was seventeen and has never looked back. She decided she would settle for nothing less than a tall, dark and handsome hero as her future husband. Well, she's not only still reading romances but writing it, as well! And the tall, dark and handsome hero? She fell in love with him on the second date and was secretly married to him within six weeks.

Two years later, they arrived in Hobart, Tasmania—the jewel in the Australian crown. Once their boys were safely in school, Milne went back to university and received her bachelor's and master's degrees.
