Resurrection Michael L. Brown,2020-03-03 Could A Deceased Rabbi Be The Messiah He was called the Lubavitcher Rebbe and he was arguably the most influential Jewish leader of the twentieth century Presidents and prime ministers sought personal audiences with him He established outreach centers in virtually every Jewish community worldwide And by the time of his death in 1994 his followers believed he was the Messiah Many still believe this today more than twenty five years after his death But is that possible Michael L Brown PhD takes you on a journey beginning in Brooklyn New York then back through Jewish history looking at little known Jewish beliefs about potential Messiahs in each generation and even the reincarnated soul of the Messiah Discover how yes a deceased rabbi could be the Messiah but with one caveat Also Available in Spanish ISBN 978 1 62999 315 7 OTHER BOOKS BY DR BROWN Jezebel s War With America 2019 ISBN 978 1629996660 The Power of Music 2019 ISBN 978 1629995953 Playing With Holy Fire 2018 ISBN 978 1629994987 *Does the Jewish Bible Point to Jesus?* David Brickner,2024-10-01 How will we be able to recognize the Messiah Christians claim that Jesus is the Messiah but how can we know if that is true Jesus revealed the truth about himself through passages in the Torah the Prophets and the Writings which together comprise the Tanakh the Old Testament In *Does the Jewish Bible Point to Jesus* Messianic Jewish author David Brickner likewise guides us through twelve prophecies from all three sections of the Tanakh You ll also find stories of contemporary Jewish people who discovered compelling connections to Jesus in their own Bibles Whether you re curious skeptical or a committed believer if you are in search of truth this book is for you Come and see how God s timeless plan to redeem and renew the world still shines as a beacon of hope today *Folktales of the Jews, Volume 2* Dan Ben-Amos,Dov Noy,2006 *Folktales from Eastern Europe* presents 71 tales from Ashkenasic culture in the most important collection of Jewish folktales ever published It is the second volume in *Folktales of the Jews* the five volume series to be released over the next several years in the tradition of Louis Ginzberg s classic *Legends of the Jews* The tales here and the others in this series have been selected from the Israel Folktale Archives at The University of Haifa Israel IFA a treasure

house of Jewish lore that has remained largely unavailable to the entire world until now Since the creation of the State of Israel the IFA has collected more than 20 000 tales from newly arrived immigrants long lost stories shared by their families from around the world The tales come from the major ethno linguistic communities of the Jewish world and are representative of a wide variety of subjects and motifs especially rich in Jewish content and context Each of the tales is accompanied by in depth commentary that explains the tale s cultural historical and literary background and its similarity to other tales in the IFA collection and extensive scholarly notes There is also an introduction that describes the Ashkenasic culture and its folk narrative tradition a world map of the areas covered illustrations biographies of the collectors and narrators tale type and motif indexes a subject index and a comprehensive bibliography Until the establishment of the IFA we had had only limited access to the wide range of Jewish folk narratives Even in Israel the gathering place of the most wide ranging cross section of world Jewry these folktales have remained largely unknown Many of the communities no longer exist as cohesive societies in their representative lands the Holocaust migration and changes in living styles have made the continuation of these tales impossible This volume and the others to come will be monuments to a rich but vanishing oral tradition

Jewish Leadership in Roman Palestine from 70 C.E. to 135 C.E. Junghwa Choi,2013-07-15 Reconstructing Jewish socio political leadership of the late Second Temple and Talmudic periods this book suggests that the period between two great revolts is the best period to study leadership dynamics Prior to the emergence of the rabbinic leadership biblically modelled leadership was still a realistic option often co existing with non biblical polity It also attempts to reconstruct the Jewish socio political leadership of this period by examining how consistently the ideas of leadership that were available before 70 C E were followed after 70 C E

The Messiah and the Jews Elaine Rose Glickman,2013 A comprehensive inspiring and fascinating discovery of what Jews believe about the Messiah and why you might believe in the Messiah too The conviction that the Messiah is coming is a promise of meaning It is a source of consolation It is a wellspring of creativity It is a reconciliation between what is and what should be And it is perhaps our most powerful statement of faith in God in humanity and in ourselves from Chapter 1 The Messiah Is Coming The coming of the Messiah the promise of redemption is among Judaism s gifts to the world But it is a gift about which the world knows so little It has been overshadowed by Christian belief and teaching and as a result its Jewish significance has been all but lost To further complicate matters Jewish messianic teaching is enthralling compelling challenging exhilarating yet up until now woefully inaccessible This book will change that Rabbi Elaine Rose Glickman brings together and to life this three thousand year old tradition as never before Rather than simply reviewing the vast body of Jewish messianic literature she explores an astonishing range of primary and secondary sources explaining in an informative yet inspirational way these teachings significance for Jews of the past and infuses them with new meaning for the modern reader both Jewish and non Jewish

Andrew Melville (1545-1622) Steven J. Reid,2016-04-15 Andrew Melville is chiefly remembered today as a defiant leader of radical Protestantism in Scotland John

Knox's heir and successor the architect of a distinctive Scottish Presbyterian kirk and a visionary reformer of the Scottish university system While this view of Melville's contribution to the shaping of Protestant Scotland has been criticised and revised in recent scholarship his broader contribution to the development of the neo Latin culture of early modern Britain has never been given the attention it deserves Yet as this collection shows Melville was much more than simply a religious reformer he was an influential member of a pan European humanist network that valued classical learning as much as Calvinist theology Neglect of this critical aspect of Melville's intellectual outlook stems from the fact that almost all his surviving writings are in Latin and much of it in verse Melville did not pen any substantial prose treatise on theology ecclesiology or political theory His poetry however reveals his views on all these topics and offers new insights into his life and times The main concerns of this volume therefore are to provide the first comprehensive listing of the range of poetry and prose attributed to Melville and to begin the process of elucidating these texts and the contexts in which they were written While the volume contributes to an on going process that has seen Melville's role as an ecclesiastical politician and educational reformer challenged and diminished it also seeks to redress the balance by opening up other dimensions of Melville's career and intellectual life and shedding new light on the broader cultural context of Jacobean Scotland and Britain

Almond,2020-10-01 The malign figure of the Antichrist endures in modern culture whether religious or secular and the spectral shadow he has cast over the ages continues to exert a strong and powerful fascination Philip C Almond tells the story of the son of Satan from his early beginnings to the present day and explores this false Messiah in theology literature and the history of ideas Discussing the origins of the malevolent being who at different times was cursed as Belial Nero or Damien the author reveals how Christianity in both East and West has imagined this incarnation of absolute evil destined to appear at the end of time For the better part of the last two thousand years Almond suggests the human battle between right and wrong has been envisaged as a mighty cosmic duel between good and its opposite culminating in an epic final showdown between Christ and his deadly arch nemesis *Interpreter: A Journal of Mormon Scripture, Volume 24 (2017)* Daniel C.
