Original. **A Directory of British Publishers and Their Terms Including Agents for Overseas Publishers**, 1980 **Steven Spielberg's Children** Linda Ruth Williams, 2025-08-12. Why has Steven Spielberg's work been so often identified with childhood and children? How does the director elicit such complex performances from his young actors? *Steven Spielberg's Children* is the first book to investigate children, childhood and Spielberg's employment of child actors together and in depth. Through a series of lively readings of both the celebrated performances he elicits from his young stars in films such as *E.T. The Extra Terrestrial*, *A.I. Artificial Intelligence* and *Empire of the Sun* as well as less discussed roles in films such as *War of the Worlds*, *The BFG* and *Jurassic Park*, this book shows children to be key players in the director's articulation of childhood since the 1970s. *Steven Spielberg's Children* presents children and childhood in some surprising ways: not only analyzing boyhood and girlhood according to Spielberg but considering children as alien, adult children who refuse to grow up and children who aren't even human. It discusses the way in which children have served to cast Spielberg as a sentimentalist but also how they are more frequently framed as complex, cruel and canny. The child might be dangled as bait in an exploitation horror scenario; *Jaws* might become the image of universal higher beings; *Close Encounters of the Third Kind* or might be a young cultural creator like the director was himself. *The Fabelmans*, born with a camera glued to his eye, the child on both sides of the camera is a resonant

image signifying all that adult culture wants it to be yet resisting this through authorship of their own stories The book also looks at Spielberg s young actors in the long history of child stars in theater and cinema and how Spielberg s children have fared as performers and celebrities *Resources in Education* ,2001 *Multicultural Literature for Children and Young Adults* Ginny Moore Kruse,Kathleen T. Horning,1993-05 A selected bibliography of literature from 1980 1990 by and about African Amer Amer Indians Asian Amer and Hispanic Amer Covers history people and places poetry folklore mythology and traditional literature seasons and celebrations books for babies concept books issues in today s world biographies understanding oneself and others picture books fiction for new readers young readers and teenagers Appendices lists authors and illustrators of color by ethnic origin ethnic cultural groups by country and recommended resources
