Kundera and the Ambiguity of Authorship Christine Angela Knoop, 2011 The scholarly debate about authorship has not only transcended all aspects of literary studies but has also prompted contemporary authors to counter subvert and challenge it One author to whom this applies in particular is Milan Kundera In this study Christine Knoop re-examines Kundera's essayistic and novelistic work against the background of the theoretical paradigms of literary authority intention and ownership In so doing she demonstrates how he overcomes traditional theoretical distinctions by postulating the existence of both a strong powerful author figure and of potentially boundless literary meaning Kundera's radically ambiguous conception of the author in the novel developed primarily to influence the reader is discussed and developed to cast new light on the critical debate about authorship at large while maintaining his primary conjecture that authorship as such is perpetually hybrid dynamic and unfinished Christine Angela Knoop is a Postdoctoral Research Associate for Comparative Literature at Freie Universität Berlin

English Modernism, National Identity and the Germans, 1890-1950 Petra Rau, 2009 Petra Rau examines the shift in attitudes towards Germany and Germans from suspicious competitiveness in the late Victorian period to the aggressive hostility of the First World War and the curious inconsistencies of the 1930s and 1940s These shifts were no simple response to political change but the result of an anxious negotiation of modernity in which specific aspects of Englishness were projected onto representations of Germans and Germany in English literature and culture While this incisive argument clarifies and deepens our understanding of cultural and national politics in the first half of the twentieth century it also complicates current debates surrounding race and otherness in cultural studies Authors discussed include major figures such as Conrad Woolf Lawrence Ford Forster and Bowen as well as popular or less familiar writers such as Saki Graham Greene and Stevie Smith book jacket
