The Panopticon Deception The Panopticon Trilogy Book 1:

The Contemporary African American Novel E. Lâle Demirtürk, 2012-07-20 This book examines the post 1990s African American novels namely the neo urban novel and develops a new urban discourse for the twenty first century on how the city as a social formation impacts black characters through everyday discursive practices of whiteness The critique of everyday life in a racial context is important in considering diverse forms of the lived reality of black everyday life in the novelistic representations of the white dominant urban order African American fictional representations of the city have political significance in that the neo urban novel explores the nature of the American society at large This book explores the need to understand how whiteness works what it forecloses and what it occasionally opens up in everyday life in American society

The Intensification of Surveillance Kirstie Ball, Frank Webster, 2003-09-20 Our public and private lives are under surveillance as never before Whether we are shopping with a credit card walking down the street or emailing a colleague at work our activities are closely monitored Since September 11th 2001 surveillance has intensified further Yet although individuals groups governments and states are more closely monitored our security is not assured This book explores the vast range of issues related to increased surveillance What is going on in an area clouded by secrecy from the state and complacent reassurances from corporations How do we track suspects and combat crime without also eroding our civil liberties and sacrificing our rights to privacy Does electronic tagging of prisoners work What are retailers up to with lifestyle profiling Focusing on these and other issues such as paedophilia money laundering information warfare cybercrime and related legislation this book spotlights benefits and costs of surveillance and suggests how it is likely to develop in the future

Foucault on Politics, Security and War M. Dillon, A. Neal, 2015-12-31 Foucault on Politics Society and War interrogates Foucault s controversial genealogy of modern biopolitics These essays situate Foucault s arguments clarify the correlation of sovereign and bio power and examine the relation of bios nomos and race in relation to modern war

Ghost Channels Amy Lawrence, 2022-03-08 Through American history often in times of crisis there have been periodic outbreaks of obsession with the paranormal Between 2004 and 2019 over six dozen documentary style series dealing with paranormal subject matter premiered on television in the United States Combining the stylistic traits of horror with earnest accounts of what are claimed to be actual events paranormal reality incorporates subject matter formerly characterized as occult or supernatural into the established category of reality TV Despite the high number of programs and their evident popularity paranormal reality television has to date received little critical attention *Ghost Channels Paranormal Reality Television and the Haunting of Twenty First Century America* provides an overview of the paranormal reality television genre its development and its place in television history Conducting in depth analyses of over thirty paranormal television series including such shows as *Ghost Hunters* *Celebrity Ghost Stories* and *Long Island Medium* author Amy Lawrence suggests these programs reveal much about Americans contemporary fears Through her close readings Lawrence asks What are these shows trying to tell us and

What do they communicate about contemporary culture if we take them seriously and watch them closely Ridiculed by nearly everyone paranormal reality TV shows with their psychics ghost hunters and haunted houses provide unique insights into contemporary American culture Half horror half documentary realism these shows expose deep seated questions about class race gender the value of technology the failure of institutions and what it means to be American in the twenty first century

The Athenaeum ,1855 TLLS, the Times Literary Supplement ,1996 The Athenæum ,1855 **Reader's Guide to the Social Sciences** Jonathan Michie,2014-02-03 This 2 volume work includes approximately 1 200 entries in A Z order critically reviewing the literature on specific topics from abortion to world systems theory In addition nine major entries cover each of the major disciplines political economy management and business human geography politics sociology law psychology organizational behavior and the history and development of the social sciences in a broader sense

Athenaeum and Literary Chronicle ,1855 *Secret Service* Reg Whitaker, Gregory S. Kealey, Andrew Parnaby,2012-07-06 *Secret Service* provides the first comprehensive history of political policing in Canada from its beginnings in the mid nineteenth century through two world wars and the Cold War to the more recent war on terror This book reveals the extent focus and politics of government sponsored surveillance and intelligence gathering operations Drawing on previously classified government records the authors reveal that for over 150 years Canada has run spy operations largely hidden from public or parliamentary scrutiny complete with undercover agents secret sources agent provocateurs coded communications elaborate files and all the usual apparatus of deception and betrayal so familiar to fans of spy fiction As they argue what makes Canada unique among Western countries is its insistent focus of its surveillance inwards and usually against Canadian citizens *Secret Service* highlights the many tensions that arise when undercover police and their covert methods are deployed too freely in a liberal democratic society It will prove invaluable to readers attuned to contemporary debates about policing national security and civil rights in a post 9 11 world Forthcoming Books Rose Army,1992 **Research Handbook on Law, Movements and Social Change** Steven A. Boutcher, Corey S.

Shdaimah, Michael W. Yarbrough,2023-07-01 The study of law and social movements provides an ideal lens for rethinking fundamental questions about the relationship between law and power This Research Handbook takes up that challenge framing a new more global dynamic reflexive and contextualised phase of social movement studies

The English Utilitarians Leslie Stephen,1950 *Australian Book Review* ,1981 Environment and Planning ,2009 **Video Theories** Dieter Daniels, Jan Thoben,2022-01-29 Breaking new ground as the first transdisciplinary reader in this field *Video Theories* is a resource that will form the basis for further research and teaching While theories of video have not yet formed an academic discipline comparable to the more canonized theories of photography film and television the reader offers a major step toward bridging this video gap in media theory which is remarkable considering today s omnipresence of the medium through online video portals and social media Consisting of a selection of eighty three annotated source texts and

twelve chapter introductions written by the editors this book considers fifty years of scholarly and artistic reflections on the topic representing an intergenerational and international set of voices This transdisciplinary reader offers a conceptual framework for diverging and contradictory viewpoints following the continuous transformations of what video was is and will be

García Alix Photographs Alberto García-Alix,2002 The hundred and fifty or so pictures that make up this retrospective of the work of Alberto Garcia Alix Leon 1956 illustrate one of the most outstanding careers om the past quarter century of Spanish photography His artistic experience unfolds in a sort of poetic narration that of his own private journey into the depths of the night His ongoing autobiographical endeavour has driven him to document the chronicle of his time through a set of portraits which often include his own Three different approaches can be discerned in his vast production The initial period 1975 1982 to which most of his 35mm work belongs the eighties which evidence the mature style of a sophisticated composer of frames and the recent nineties which witness a shift towards an increasingly cold bare and essential perspective Projects that reflect the multifaceted and heterodox nature of an artist whose oeurve rooted in the most classical tradition of black and white photography
