The Parables Of Jesus:

The Parables of Jesus Arland J. Hultgren, 2000-06-22 Outlines the parables of Jesus and discusses how each of the parables can be taught and preached *The Parables* Douglas D. Webster, 2021-03-30 A comprehensive study of Jesus's parables that emphasizes personal reflection and application Jesus's parables used familiar situations to convey deep spiritual truths in ways that are provocative and subversive of the status quo Prayerfulness was pictured by a persistent widow The joy of salvation in the homecoming of a lost son Love of neighbor by a marginalized Samaritan If we're not careful we can easily miss details in the parables that reveal their subtle meanings as well as their contemporary relevance Drawing on scholarship on the parables as well as theological pastoral and practical insights Douglas Webster guides the reader through each of Jesus's parables pointing out the important nuances that allow us to understand them and be transformed by them Reflection questions at the end of each chapter can be used for personal or group study and an appendix for pastors provides guidance for preaching the parables Pastors Bible teachers and serious students of Scripture will find this tour through Jesus's parabolic teaching to be a feast for both the mind and the soul **Stories with Intent** Klyne R. Snodgrass, 2018-02-16 Winner of the 2009 Christianity Today Award for Biblical Studies Stories with Intent offers pastors and students a comprehensive and accessible guide to Jesus parables Klyne Snodgrass explores in vivid detail the historical context in which these stories were told the part they played in Jesus' overall message and the ways in which they have been interpreted in the church and the academy Snodgrass begins by surveying the primary issues in parables interpretation and providing an overview of other parables often neglected in the discussion from the Old Testament Jewish writings and the Greco-Roman world He then groups the more important parables of Jesus thematically and offers a comprehensive treatment of each exploring both background and significance for today This tenth anniversary edition includes a substantial new chapter that surveys developments in the interpretation of parables since the book's original 2008 publication **The parables of Jesus (addresses)**. James Wells, 1884 **The Parables of Jesus** J. Dwight Pentecost, 1998-08-01 Dr Pentecost describes the setting of each parable explains the problem or question it addresses and offers Christ's solution to that issue All the Parables of Jesus David M. Brown, 2012-07 Like yeast parables are explosive stories of Jesus that invade our lives and transform us into citizens of the kingdom of God But they are also cryptic and that's where this book is useful More than an explanation or interpretation of each parable this definitive work is primarily an exercise in hermeneutics In it readers are taken through a process of discovering which sayings of Jesus are parables problematic questions related to counting and categorizing them and Jesus' rationale for speaking in parables The work then analyzes four distinct ways that parables are structured and three levels at which they do their work in us The final chapter presents parable-related hermeneutical guidelines and the book ends with seven extensive Appendices and two Indexes It is a must read for every biblical scholar An Introduction to the Parables of Jesus Robert H. Stein, 1981-01-01 A clear and thorough introduction to

the best known of Jesus teachings this much needed text examines what parables are why Jesus taught in parables and the purpose and place of parables in the Gospel narratives Invaluable for the beginning seminary or college students and for church study groups this enlightening work reveals the meaning of the parables when they were first given their meaning for the Gospel writers and their meaning for us today

What Does Jesus Ask Us to Do Helen M. Moss, 2013-02-28 Each year before the Lenten season begins I reflect on what I will sacrifice in spiritual preparation for Easter and the celebration of our Lords resurrection In 2011 I decided to take a different path Instead of giving something up I would gain something of substance I would embark on an examination of the Parables of Jesus What better way to strengthen my spiritual relationship with Jesus than to read and study the Words of our Lord Ironically as I was mentally preparing to embark on this incorporeal journey my father called to chat During this conversation in the way only a loving father can he began to chastise me about using the gifts God had blessed me with in a positive way My father reminded me that I was a gifted writer his choice of words and a talented visual artist He encouraged me to revisit these activities and get busy doing something worthwhile with these gifts

WHAT DOES JESUS ASK US TO DO The Parables of Jesus as a Guide to Daily Living is the resulting convergence of my fathers exhortative conversation and my personal Lenten covenant I decided that I would share this reflective commentary with others by chronicling my interpretation of the parables and related Scripture passages What better way to consummate the end of my spiritual Lenten sojourn than to

share this process with others in a published document With a renewed commitment and focused plan of action I began to think about the format that would be appropriate for this treatise Because I was planning to treat my study of the parables of Jesus as a daily devotional guide this seemed to be the best way to approach the creation of the book The result is a recap of each parable a summary of the meaning Jesus imparted to His audience and a call to action and or personal consideration Each study concludes with a brief prayer As the Lenten season was drawing to a close and my study of the parables was almost complete I began to think of artwork for the cover of what would become WHAT DOES JESUS ASK US TO DO There were so many beautiful Biblical images that would be suitable As I leafed through books with exquisitely inspiring images I thought back to the conversation with my father It was then I decided to create the cover art myself The result is The Parables Stained Glass Windows a triptych of three collages depicting an iconic ecclesiastical symbol As Easter Sunday drew near I reflected on this spiritual journey through the Parables of Jesus I considered all I had learned about what Jesus wants from me what I had learned about my own spirituality and faith But more importantly I felt a profound sense of accomplishment and a deep sense of gratitude for my fathers love and encouragement Helen M Moss April 24 2011 **The**

The Parables of Christ Roderick O. Ford,2015-11-13 *The Parables of Christ* is a simple and yet thought provoking analysis of the teachings of Jesus of Nazareth It carefully analyzes forty eight of

Jesus's most important parables as the foundation of the New Testament gospel and it places them within the context of the Old Testament law. The Parables of Jesus Explained Stephen Tvedten, 2014-07-12

A thoroughly researched and deeply insightful exploration of Jesus' teachings from the Gospels. Over a third of the Gospels by Matthew, Mark, and Luke contain Jesus' parables. In the Book of Matthew, we learn that this style of teaching fulfilled God's prophecy: "I will open my mouth in parables; I will utter what has been hidden since the foundation of the world." But how do we best interpret these vital lessons? The Parables of Jesus Explained offers a close reading of fifty-two parables from the Bible. Author Stephen Tvedten explains that a parable is a word picture which uses an earthly image or story to illustrate a spiritual truth or lesson. It creates a mini drama that helps define the unknown and unseen by using both the visible and the known. This volume includes close readings of some of the best-known parables, such as The Parable of the Good Samaritan and The Parable of the Prodigal Son, as well as lesser-known stories such as The Parable of the Unforgiving Servant.

The Parables of Jesus Warren S. Kissinger, 1979. No researcher will be able to work efficiently on the parables without Kissinger, and no serious theological library can be without it. THE EXPOSITORY TIMES
