After Miscarriage Krissi Danielsson, 2010 If you've recently lost a pregnancy or have experienced more than one such loss you may be wondering What happened and how can I find out why What is my chance of ever carrying a baby to term What can I do to lessen my risk of another miscarriage How can I cope with this heartache In *After Miscarriage* Krissi Danielsson answers these questions

Infertility Robin E. Jensen, 2016-09-29 This book explores the arguments, appeals and narratives that have defined the meaning of infertility in the modern history of the United States and Europe Throughout the last century the inability of women to conceive children has been explained by discrepant views that women are individually culpable for their own reproductive health problems or that they require the intervention of medical experts to correct abnormalities Using doctor-patient correspondence, oral histories and contemporaneous popular and scientific news coverage Robin Jensen parses the often thin rhetorical divide between moralization and medicalization revealing how dominating explanations for infertility have emerged from seemingly competing narratives Her longitudinal account illustrates the ways in which old arguments and appeals do not disappear in the light of new information but instead reemerge at subsequent often seemingly disconnected moments to combine and contend with new assertions Tracing the transformation of language surrounding infertility from barrenness to infertility this rhetorical analysis both explicates how language was and is used to establish the concept of infertility and shows the implications these rhetorical constructions continue to have for individuals and the societies in which they live

Integrative Women's Health Victoria Maizes, Tieraona Low Dog, 2015 *Integrative Women's Health* is a comprehensive reference that combines conventional approaches with alternative therapies providing an evidence-based guide to whole-body integrative care for women's health

The Dancer's Handbook Gala Moody, Michael Carter, 2025-02-13 *The Dancer's Handbook* offers a holistic exploration of the dance industry's challenges authored by dancers intimately familiar with its complexities This comprehensive resource tackles themes like power dynamics, hierarchical structures and the pervasive influences of capitalism, patriarchy and white supremacy as the status quo in the arts This book delves into dismantling the status quo, examining its manifestations in the body and mind of dancers and advocates for wellbeing and self-worth in the workplace as the way of change Psychological aspects, coping mechanisms and the importance of rest are addressed alongside discussions on ethical engagement, consent and the democratisation of workplace behaviour through co-authored principles of practice The final chapters empower dancers to find their voice offering structured communication strategies to confront transgressive behaviours and foster accountability With insights from years of reimagining working conditions this book serves as a beacon for positive change, urging dancers and dance-related professionals to challenge norms, prioritise wellbeing and speak up to power

Enjoy! Joyce J. Penner, Clifford L. Penner, 2017-01-01 Do you want a stronger, more exciting sex life with your husband As a married woman you have the power to increase sexual fulfillment for you and your husband if you aren't stymied by false assumptions about a wife's role in sex In

Enjoy The Gift of Sexual Pleasure for Women Dr Clifford and Joyce Penner dispel assumptions that can keep women from accepting and expressing their God given sexuality in marriage After more than forty years as sex therapists and educators the Penners have learned what helps couples build lasting mutually enjoyable sex in marriage Their knowledge is culled from the stories of thousands of individuals and couples who sought help with frustrations and have found relief and mutual fulfillment In this book they share step by step practical ways for wives to move from duty and disappointment to pleasure and fulfillment Learn how the woman s biblical role for sex in marriage is to pursue all of who she is sexually and share her sexuality with her husband which will in turn increase his satisfaction Be empowered as a woman to embrace your sexuality and find deeper enjoyment with your husband This title is a companion to The Married Guy s Guide to Great Sex also by the Penners Humanae Vitae, 50 Years Later Theresa Notare,2019-06-28 In the life of the Catholic Church the papal

encyclical Humanae vitae represents a deepening of understanding regarding the nature of married love and the transmission of life Despite fifty years 1968 2018 since it s promulgation many Catholics have yet to discover the treasure of these rich teachings This volume therefore seeks to elucidate the encyclical s reaffirmation of the divine plan It does this in a unique way by providing essays from experts of various disciplines that include history theology science medicine law and governmental policy The occasion of the fiftieth anniversary of Humanae vitae offers a teaching moment In this compendium experts representing a variety of disciplines including history culture theology medicine law and psychology present their reflections upon God s divine plan as described in Humanae vitae The authors first presented this work in an abbreviated form at a symposium held at The Catholic University of America April 4 6 2018 Here their presentations are substantively developed and hopefully will encourage further scholarly work Ultimately their purpose is to help the reader arrive at a more positive understanding of the teachings found in Humanae vitae Although designed for the educated reader the essays presume that when the teachings of Humanae vitae are embraced by men and women they can contribute to the healing of the wounds of a world broken by sin but redeemed by Christ **Reproductive Justice and the Catholic Church** Emily

Reimer-Barry,2024-06-10 Pregnancy loss is profoundly complex ambiguous and alienating but telling women who have procured abortions that they are murderers and sinners is not the best way forward Magisterial teachings on abortion are too often presented as moral absolutes when in fact moral absolutism distorts the rich wisdom of the Catholic intellectual tradition This book initiates a new conversation about women s experiences of miscarriage stillbirth and abortion arguing that we need not approach these difficult life experiences in a simplistic way Dr Reimer Barry argues that both the pro life and pro choice movements make important and valuable claims yet each approach on its own is flawed Drawing on the framework of reproductive justice together with Catholic social teaching Dr Reimer Barry suggests a new way forward for abortion discourse that takes seriously the full human dignity of women and the intrinsic though not absolute value of prenatal life She argues that instead of thinking of the Church as a moral teacher with leaders in Rome or Washington DC

dictating to the consciences of the faithful a better way to address the complexity of difficult pregnancy discernments would be to think of the Church as a community of support in the midst of and after difficult discernments a community that seeks justice together and implements structural reforms while also providing spiritual care to those in need What women deserve is justice

You Can Have a Better Period Le'Nise Brothers, 2022-03-08 A practical guide to understanding your cycle and balancing your hormones with nutrition and yoga for a calm and pain free period Written by Le Nise Brothers a nutritional therapist yoga teacher and popular women s health hormone and wellbeing coach You Can Have A Better Period is a straight talking resource to help women understand their menstrual cycles and finally get answers to questions such as why am I so moody right before my period are periods supposed to be so painful why is my period so heavy is it normal to get headaches right before my period Le Nise Brothers takes us through each phase of our cycle including a clear programme of nutrition and lifestyle changes The book explains which supplements work and the key stress management habits we can implement to bring long lasting and sustainable changes to our hormonal balance and menstrual health In Western society we have accepted a cultural narrative that periods are supposed to be painful emotional and messy This book will be a practical guide that helps women change the way they look at their period and finally harness the power of the fifth vital sign
