Chancer, 2010-10-19 O J Simpson The Central Park jogger Bensonhurst William Kennedy Smith Rodney King These are more than crimes and criminals more than court cases They are cultural events that for better or worse gave concrete expression to latent social conflicts in American society In High Profile Crimes Lynn Chancer explores how these cases became **I Came This Day to the Spring** David J. Halperin, 2025-11-06 After reading two or three paragraphs the hair of my head stood up Nothing like this was ever seen or known from any heretic or disbeliever of this world and it certainly deserves to be burned The Hebrew Kabbalistic text called I Came This Day to the Spring Va avo ha Yom el ha Ayin created a scandal among the Jewish communities of Central Europe when it surfaced in manuscript in 1725 It was obviously linked to the cult of Sabbatai Zevi the would be Messiah who drove the Jewish world wild with excitement in 1665 and converted to Islam the following year Its author was the brilliant young rabbi Jonathan Eibeschuetz 1695 1764 soon to become one of the foremost preachers and rabbinic authorities of the era Now for the first time Eibeschuetz's extraordinary book a charter for the world religion of the future rooted in Kabbalistic Judaism but unlike any religion ever known is available in English translation by a leading scholar of Judaism and its Kabbalah It is not easy reading But David Halperin's full annotations will give readers the guiding thread they need to follow Eibeschuetz on his amazing journey to the spring of wisdom and beyond **The New Brothers Grimm and Their Left Behind Fairy Tales** David T. Morgan, 2006 The New Brother's Grimm examines the twelve volumes of the very popular Left Behind series by Tim LaHaye and Jerry B Jenkins relating the story and the theological arguments of each book and then challenging those arguments One of the centerpieces of their interpretation of the Bible is that the church of Christ will be raptured to be with Christ for seven years During that time people who have been left behind will have an opportunity to accept Christ as savior but they will have to pass through the tribulation a time of unimaginable horror with Satan ruling the world At its end Christ will appear with his heavenly army and defeat the forces of Antichrist in the battle of Armageddon After that Christ will establish an earthly kingdom lasting exactly 1000 years during which Satan will be bound in the bottomless pit Ultimately the author suggests that the theological premises set forth in the series are at best dubious and at worst theological snake oil Crime Prevention Adam Sutton, Adrian Cherney, Rob White, 2013-12-10 This book examines a range of Australian examples within an international context Part 1 presents an overview of the history and theory of crime prevention featuring

chapters on social prevention environmental prevention and evaluation Part 2 explores the practice of crime prevention and the real life challenges of implementation including policy making prevention in public places dealing with social disorder and planning for the future
