Scott Fitzgerald, 2011-11-03 The Curious Case of Benjamin Button sees a baby born in 1860 begin life as an old man and then age backwards F Scott Fitzgerald hinted at this kind of inversion when he called his era a generation grown up to find all Gods dead all wars fought all faiths in man shaken Perhaps nowhere in American fiction has this Lost Generation been more vividly preserved than in Fitzgerald's short fiction Spanning the early twentieth century American landscape this collection captures with Fitzgerald's signature blend of enchantment and disillusionment America during the Jazz Age *Tales of the Jazz Age* F. Scott Fitzgerald, 2020-05-02 Jim was a Jelly bean I write that again because it has such a pleasant sound rather like the beginning of a fairy story as if Jim were nice It somehow gives me a picture of him with a round appetizing face and all sort of leaves and vegetables growing out of his cap But Jim was long and thin and bent at the waist from stooping over pool tables and he was what might have been known in the indiscriminating North as a corner loafer Jelly bean is the name throughout the undissolved Confederacy for one who spends his life conjugating the verb to idle in the first person singular I am idling I have idled I will idle **Tales of the Jazz Age** F. Scott Fitzgerald,2002-07-18 Fitzgerald s second collection of short stories Tales of the Jazz Age 1922 includes at least two masterpieces May Day and The Diamond as Big as the Ritz This edition reproduces Tales of the Jazz Age in full along with several uncollected stories from the early 1920s including Dice Brassknuckles and Guitar which closely anticipates the themes and characters of The Great Gatsby James L W West III traces the textual history of the stories and provides detailed historical notes and references Tales of the Jazz Age F. Scott Fitzgerald,2021-07-09 Tales of the Jazz Age is a collection of eleven short stories by F Scott Fitzgerald Divided into three separate parts according to subject matter it includes one of his better known short stories The Curious Case of Benjamin Button All of the stories had been published earlier independently in either Metropolitan Magazine New York Saturday Evening Post Smart Set Collier s Chicago Sunday Tribune or Vanity Fair The Jelly Bean This is a Southern story with the setting laid in the small Lily of Tarleton Georgia Fitzgerald wrote that he had a profound affection for Tarleton but somehow whenever I write a story about it I receive letters from all over the South denouncing me in no uncertain terms Written shortly after his first novel was published the author also collaborated with his wife on certain scenes The story momentarily follows the life of a jelly bean or idler named Jim Powell An invitation to a dance with the old crowd revives his dreams of social advancement and love until the consequences of drink and power of money come through and ruin them The Camel s Back In the short introduction to this short story Fitzgerald wrote I suppose that of all the stories I have ever written this one cost me the least travail and perhaps gave me the most amusement The story he confessed was written with the express purpose of buying a platinum and diamond wrist watch which cost six hundred dollars and took seven hours to finish Though it was the least liked story by Fitzgerald in the volume it was included in the O Henry Memorial Collection of the O Henry Award of 1920 May Day Published as a novelette in the The Smart Set in July 1920 May Day relates a series of events which took place in the spring of the previous year during the general hysteria which inaugurated the Jazz Age Porcelain and Pink A play published in The

Smart Set in January 1920 Tales of the Jazz Age (Annotated Edition) F. Scott Fitzgerald, 2020-11-12 New Introduction and Historical Analysis ebook features Highlight take notes and search in the book Word Wise Enabled Enhanced Typesetting Enabled Page Flip Enabled This 2020 American History Edition includes a fresh interpretation and analysis by the editors Fitzgerald characterized his collection of tales this way I tender these tales of the Jazz Age into the hands of those who read as they run and run as they read Although brief portraits of characters music and culture of the Jazz Age Tales of the Jazz Age published in 1922 is a complex cultural portrait of an era that Fitzgerald described in his 1931 essay Echoes of the Jazz Age as an age of miracles it was an age of art it was an age of excess and it was an age of satire These tales includes The Curious Case of Benjamin Button which Fitzgerald notes was inspired by remark of Mark Twain s to the effect that it was a pity that the best part of life came at the beginning and the worst part at the end F Scott Fitzgerald 1896 1940 was born in St Paul Minnesota and attended Princeton University before leaving 1917 to join the army He is said to have epitomized the Jazz Age which he characterized as a generation grown up to find all Gods dead all wars fought all faiths in man shaken Among his publications were five novels six volumes of short stories as well as a selection of autobiographical pieces Tales from the Jazz Age F. Scott Fitzgerald, 2017-04-26 F Scott Fitzgerald s Tales of the Jazz Age features some of Fitzgerald s best loved short stories and novelettes Included here are The Curious Case of Benjamin Button and The Diamond as Big as the Ritz Set in the Jazz Age Fitzgerald s own term for the Roaring Twenties of newly confident post war America this collection shows a comic genius at work fashioning every genre from low farce to shrewd social insight along with fantasy of extraordinary invention These stories illuminate the unique talent who went on to write The Great Gatsby and to become one of the enduring icons of American literature May Day F. Scott Fitzgerald, 2017-10-20 This somewhat unpleasant tale published as a novelette in the Smart Set in July 1920 relates a series of events which took place in the spring of the previous year Each of the three events made a great impression upon me In life they were unrelated except by the general hysteria of that spring which inaugurated the Age of Jazz but in my story I have tried unsuccessfully I fear to weave them into a pattern a pattern which would give the effect of those months in New York as they appeared to at least one member of what was then the younger generation Tales Of The Jazz Age F Scott Fitzgerald, 2020-08-03 Tales of the Jazz Age is a collection of eleven short stories by F Scott Fitzgerald Divided into three separate parts according to subject matter it includes one of his better known short stories The Curious Case of Benjamin Button This is a Southern story with the setting laid in the small city of Tarleton Georgia Fitzgerald wrote that he had a profound affection for Tarleton but somehow whenever I write a story about it I receive letters from all over the South denouncing me in no uncertain terms Written shortly after his first novel was published the author also collaborated with his wife on certain scenes Tales of the Jazz Age F. Scott Fitzgerald, 2013-03-29 Tales of the Jazz Age is a collection of short stories by F Scott Fitzgerald Divided into three separate parts according to subject matter it includes one of his better known short stories The Curious Case of Benjamin Button

Fitzgerald's introduction captures the spirit of the book fairly. This story was inspired by a remark of Mark Twain's to the effect that it was a pity that the best part of life came at the beginning and the worst part at the end. By trying the experiment upon only one man in a perfectly normal world, I have scarcely given his idea a fair trial. All of these stories like his best novels meld Fitzgerald's fascination with wealth with an awareness of a larger world, creating a subtle social critique. Fitzgerald elucidates the interactions of the young people of post-World War I America who sought their place in the modern world amid the general hysteria of the period that inaugurated the age of jazz.
