Genji Haruo Shirane, 2008 Bringing together scholars from across the world Haruo Shirane presents a fascinating portrait of The Tale of Genji s reception and reproduction over the past thousand years The essays examine the canonization of the work from the late Heian through the medieval Edo Meiji Taisho Showa and Heisei periods revealing its profound influence on a variety of genres and fields including modern nation building They also consider parody pastiche and re creation of the text

in various popular and mass media Since the *Genji* was written by a woman for female readers contributors also take up the issue of gender and cultural authority looking at the novel's function as a symbol of Heian court culture and as an important tool in women's education Throughout the volume scholars discuss achievements in visualization from screen painting and woodblock prints to manga and anime Taking up such recurrent themes as cultural nostalgia eroticism and gender this book is the most comprehensive history of the reception of *The Tale of Genji* to date both in the country of its origin and throughout the world

The Mirth of Nations Christie Davies, 2017-07-28 *The Mirth of Nations* is a social and historical study of jokes told in the principal English speaking countries It is based on use of archives and other primary sources including old and rare joke books Davies makes detailed comparisons between the humor of specific pairs of nations and ethnic and regional groups In this way he achieves an appreciation of the unique characteristics of the humor of each nation or group A tightly argued book *The Mirth of Nations* uses the comparative method to undermine existing theories of humor which are rooted in notions of hostility conflict and superiority and derive ultimately from Hobbes and Freud Instead Davies argues that humor merely plays with aggression and with rule breaking and that the form this play takes is determined by social structures and intellectual traditions It is not related to actual conflicts between groups In particular Davies convincingly argues that Jewish humor and jokes are neither uniquely nor overwhelmingly self mocking as many writers since Freud have suggested Rather Jewish jokes like Scottish humor and jokes are the product of a strong cultural tradition of analytical thinking and intelligent self awareness The volume shows that the forty year popularity of the Polish joke cycle in America was not a product of any special negative feeling towards Poles Jokes are not serious and are not a form of determined aggression against others or against one's own group *The Mirth of Nations* is readable as well as revisionist It is written with great clarity and puts forward difficult and complex arguments without jargon in an accessible manner Its rich use of examples of all kinds of humor entertains the reader who will enjoy a great variety of jokes while being

enlightened by the author's careful explanations of why particular sets of jokes exist and are immensely popular. The book will appeal to general readers as well as those in cultural studies. **Sirius and Other Stories** Ellen Thorneycroft Fowler, 1901
Saturday Review of Literature, 1924 *The Ugly Beautiful Tale of a Stupid, Stupid, Heart* Levi Cheruo Cheptora, 2016

The Ugly Beautiful Tale of a Stupid Stupid Heart is a riveting tale of a blind carefree yet kindest of the hearts that will amuse and anger tickle and unfortunately makes you shed a tear. Set in Mount Elgon Western Kenya the book tells a story of two neighboring families that of Joram and that of Sikowo hailing from the Bok who happens to be the majority and the Ndorobo apparently a persecuted minority respectively. At the core of their perennially paradoxical relationship is the ever emotive issue in our modern day Kenya land. This is not a love story neither is it a story about love. The Ugly Beautiful Tale of a Stupid Stupid Heart is a story fictitious and real yet imaginatively recounted and recreated anew about living a lie a day at a time until death suddenly fiercely shuts its dark door of mercy and tramples one upon the vast emptiness. This is especially the case when David and Wairimu apparently engaged in a forbidden passion unfortunately finds themselves in the unforgivable cruel and menacing jaws of death in Runyenjes thanks to a bloodthirsty mob that is on a killing spree and eager to avenge the deaths of their fellow tribesmen butchered earlier in Rift Valley Kisumu and the Coast. David is a dynamic character whose emotions attitudes and temperaments are unfathomable. After betraying his childhood sweetheart Chebet and subsequently abandoning her in her most needy hour to face an accusing world after an unexpected pregnancy all by herself he discreetly falls in love with Wairimu. Wairimu is an exceedingly beautiful gorgeous exquisite marvelous and amazing young woman whose irresistible charms wit and affection takes his life to places unknown and finally to his grave. The book explains how successive regimes helped plant a seed of animosity between the two Sabaot sub tribes watered it and pruned its branches until its fruition stage. After decades of blatant indecisiveness Sabaot Land Defense Force was born. The bloodthirsty militia will eventually set up a parallel government and fronted a leader of its choosing who won the Mount Elgon constituency parliamentary seat with a landslide in the contested 2007 Kenyan General Elections. The book also wittingly revisits the 2007/2008 Post Election Violence why it all had to happen why it might happen yet again and implicitly offers a pathway that might save Kenyans from an imminent recurrence. Most important in detail it explains the recipes that often give birth to militias in modern day Kenya whose illegitimate act of trying to solve a legitimate issue is rarely refreshing as was the case with Sabaot Land Defense Force. More so the book gives you an ideal picture of how it was living through those turbulent moments when Kenyans maimed beheaded evicted forcibly circumcised robbed raped and shattered lives of fellow Kenyans. It is a necessary retreat to that ugly past that we would have loved to forget as soon as last year that past that is indeed a dark chapter in our history as a country that we must draw meaningful lessons from. We must thus make it our default duty reminding our seemingly ever self-centered crafty and unpredictable leaders that never again should they take us back there. The Ugly Beautiful Tale of a Stupid Stupid Heart is a unique nostalgic and candid manifestation of our everyday

struggles challenges and hurdles in life with self and others Many a time such hurdles are direct consequences of personal decisions resulting from the usual interactions and the seemingly never ending complex relationships with our friends relatives neighbors and the ruling elite in our society Guns and Contemporary Society Glenn H.
