Tales Of A Midwife:

Tales of a Midwife (Promo) Maria Anderson,2012-01-03 **Tales of a Midwife** Maria Anderson,2012-03-01 Maria Anderson trained as an NHS nurse and went on to become a midwife a job she has adored for over twenty years After fainting whilst attending her first three births Maria went from nervous trainee to assured midwife and in her brilliant memoir she recounts the highs and lows of life inside the maternity unit From frantic fathers and breaking her hand during a traumatic home birth to witnessing the delivery of quads and the ultimate devastation of assisting the delivery of a stillborn baby Maria has had an extraordinary career Tales of a Midwife is a funny poignant and heart warming account of a devoted midwife *A MIDWIFE'S TALE* LAUREL THATCHER ULRICH,1990 *A Midwife's Tale* Laurel Ulrich,1991 Presents the life of Martha Ballard a midwife in Maine during the eighteenth century by drawing on the detailed diary she kept for twenty seven years of her life Tales from a Midwife Jennifer Worth,2010 An omnibus edition of the SUNDAY TIMES bestselling MIDWIFE series true stories from a post war community in London s East End **The Midwife's Tale** Nicky Leap,Billie Hunter,2013-10-17 Mothers and midwives reveal the wonders and difficulties of early twentieth century childbirth in this informative and insightful healthcare history Before the foundation of the United Kingdom s National Health Service NHS in 1948 expectant mothers relied on midwives to help them through childbirth Based on interviews conducted with dozens and mothers and retired midwives over several years Billie Hunter and Nicky Leap s The Midwife s Tale shares the stories of these women in their own words shedding light on their experiences and on the realities of childbirth in the first half of the twentieth century Intriguing poignant and sometimes humorous this oral history covers the experiences of women from the 1910s through the 1950s including accounts of the difficulties of rearing large families in poverty stricken environments and the lack of information about contraception and abortion even as midwifery changed from an unqualified handywoman skill to an actual profession La Partera Fran Leeper Buss,2000 The story of one woman s life in rural New Mexico and of her emergence as a community leader **The Midwife's Tale** Gretchen Moran Laskas,2008-12-10 I come from a long line of midwives narrates Elizabeth Whitely I was expected to follow Mama follow Granny follow Great granny In the end I didn t disappoint them Or perhaps I did After all there were no more midwives after me For generations the women in Elizabeth s family have brought life to Kettle Valley West Virginia heeding a destiny to tend its women with herbals experience and wisdom But Elizabeth who has comforted so many has lost her heart to the one man who cannot reciprocate even when she moves into his home to share his bed and raise his child Then Lauren Denniker Elizabeth s adopted daughter begins to display a miraculous gift just as Elizabeth learns that she herself is unable to have a child How Elizabeth comes to free herself from a loveless relationship grapple with Lauren s astonishing abilities and come to terms with her own emptiness is the compelling heart of this remarkable tale Incorporating the spirited mountain mythology of prewar Appalachia Gretchen Laskas has crafted a story as true to our time as its own and a cast of characters as poignant as they are entirely original

The Midwife's Tale and Other Christmas Stories W. Edward Harris,1993 **The Midwife's Tale** Sam

Thomas,2013-01-08 It is 1644 and Parliament's armies have risen against the king and laid siege to the city of York Even as the city suffers at the rebel's hands midwife Bridget Hodgson becomes embroiled in a different sort of rebellion **A**

Midwife's Tale Laurel Thatcher Ulrich,2010-12-22 PULITZER PRIZE WINNER Drawing on the diaries of one woman in eighteenth century Maine A truly talented historian unravels the fascinating life of a community that is so foreign and yet so similar to our own The New York Times Book Review Between 1785 and 1812 a midwife and healer named Martha Ballard kept a diary that recorded her arduous work in 27 years she attended 816 births as well as her domestic life in Hallowell Maine On the basis of that diary Laurel Thatcher Ulrich gives us an intimate and densely imagined portrait not only of the industrious and reticent Martha Ballard but of her society At once lively and impeccably scholarly *A Midwife's Tale* is a triumph of history on a human scale Journey to Birth Sakina O'uhuru,2013-09-05 This book is about my life journey as a

home birth midwife It includes the many home births I attended during my sixteen years as a practitioner with particular attention to the last ten years During this journey I have learned a myriad of life lessons Most of them strengthened me and my ability to continue on this path There were incredible challenges both joyful and painful The most challenging lessons happened to be the most life changing and transformative Those lessons impacted my life tremendously first as a woman second as a mother and grandmother and most assertively as a basic human being **Call the Midwife** Jennifer

Worth,2008 A fascinating slice of social history Jennifer Worth's tales of being a midwife in 1950s London A Midwife's Story Penny Armstrong,1986 A heartwarming memoir chronicling a nurse midwife's time among the Amish in Pennsylvania serving both as a study of how midwifery works and also a look at how the Amish live and relate to the modern world

Becoming a Midwife Rosemary Mander,Valerie Fleming,2014-05-09 What is the reality of being a midwife in the twenty first century What is it like to help and support women throughout pregnancy and childbirth and into motherhood What roles can midwives play in society This new edition of the popular text *Becoming a Midwife* explores what it is to be a midwife looking at the factors that make midwifery such a special profession as well as some of the challenges The fully updated chapters cover a variety of settings and several different stages in a woman's pregnancy including stories from midwives working in hospitals and in the community as managers supervisors and educators and as men women mothers and birth activists All chapters are narrated by contributors who introduce their own theme recount a vignette that throws light on their understandings of midwifery and reasons for becoming or not becoming a midwife and any subsequent career moves Backed up by commentaries and drawing together these insights the editors show what it means to be a midwife today Suitable for those contemplating a career in midwifery and providing an opportunity for reflection for more experienced midwives this thought provoking book is an invaluable contribution to midwifery *Midwives' Tales* Lesley Barclay,2005 The result of a ten year collaboration between Australian and Samoan researchers and midwives this book compiles the first

person stories of several generations of Samoan midwives both those who use traditional techniques for home birth and those who use Western techniques in a hospital. The voices are vivid and varied often displaying the Samoan gift for storytelling. The overall picture of changing birthing practices is complex and sometimes tinged with ironies. As the introduction says: These Samoan nurses and midwives did not immediately attempt to mediate new and old ways of birthing after the colonial leadership of their profession left. They themselves became cultural agents for change as they continued the role of colonizing their own birth tradition and taught the fa'atoga Samoan for midwife Western techniques at the same time trying to provide a professional midwife for all women. Paradoxically they often chose a social midwife for their own births and supported or at least condoned the social midwives close to them. Kaisarina while working as the leading professional midwife in the country and working almost totally in hospital practice herself simultaneously assisted her mother in law with her social practice of midwifery. Vipulo's story shows how a professional midwife preferred to have her mother a social midwife deliver her at home. A particular objective of the authors is to encourage a reconception of maternity care in countries where professional services are rare and not available to all women. The book challenges common assumptions still held in many postcolonial countries that a simple migration of Western style hospital focused care is necessarily always an achievable or desirable goal. It also demonstrates the considerable progress that one group has made in rethinking and developing a model of maternity care that works within their society and culture. As these midwives' stories suggest solutions to some of the problems caused by gaps in the kinds of resources that Westerners take for granted can be found in partnerships and cultural wisdom that already exist in Samoa and by extension other developing countries. **The**

Midwife's Tale Gretchen Moran Laskas, 2004-02-26. I come from a long line of midwives. I was expected to follow. Mama follow. Granny follow. Great granny. In the end I didn't disappoint them. Or perhaps I did. After all there were no more midwives after me. For generations the women in Elizabeth's family have brought life to their community heeding a destiny to tend its women with herbs, experience and wisdom. All the births and dates are recorded in tall black ledgers kept by Elizabeth's mother but there is also a smaller red ledger. Elizabeth does not always feel comfortable with her fate as a midwife and when she discovers the true purpose of the red book she is shocked and disturbed by the contents. As Elizabeth loses faith in her vocation she also loses her heart to the one man who will never return her love even when she moves into his home to share his bed and raise his child. She finds solace in mothering Lauren but Elizabeth who has brought so many lives into the world must also come to terms with the fact that she herself is barren. Telling Life's Tales Sarah-Beth Watkins, 2013-03-27

Telling Life's Tales is a comprehensive guide to writing life stories. It helps writers and non writers to decide what they want to tell of their lives and how they want to tell it. Giving practical advice and information the reader will learn story structure, key elements of writing, how to plot and plan and how to check all their facts. Everyone has a tale to tell and this book will help those tales come alive. Whether you are 22 or 82 Telling Life's Tales will help the reader to put into words their most

memorable recollections **World Folklore for Storytellers: Tales of Wonder, Wisdom, Fools, and Heroes** Howard J Sherman, 2014-12-18 Here is a treasury of favorite and little known tales from Africa Asia Europe the Americas Australia and Oceania gracefully retold and accompanied by fascinating detailed information of their historic and cultural backgrounds The introduction provides an informative overview of folklore its purpose in world cultures and in contemporary society and popular culture Following this the main sections of the book are arranged by tale type covering wonder tales hero tales tales of kindness repaid and hope and redemption and finally tales of fools and wise people Each section begins by comparing the tales cross culturally explaining similarities and differences in the folkloric narratives Tales from diverse cultures are then presented introduced and retold in a highly readable fashion Welsh Folk-lore: a Collection of the Folk-tales and Legends of North Wales Elias Owen, 1896
