Taming Trish Straight Male Erotica:

Head Over Heels Virginia Erhardt, 2014-01-14 Candid first hand accounts of couples who stay together despite highly emotional gender issues Head Over Heels gives voice to thirty ordinary women who live extraordinary lives as partners to crossdressers transgenderists and male to female transsexuals These unique women discuss with honesty and great candor how they first learned of their partners gender issues how they ve coped with the emotions that followed how they ve dealt with concerns about privacy secrecy and how they ve handled disclosure to children friends and family members Far from a collection of happily ever after stories these narratives are filled with pain courage curiosity and joy as each woman struggles to redefine a relationship that includes intimacy social acceptance dignity and respect The women whose stories are featured in Head Over Heels didn t know their partners were gender variant when they first met Some found out early on others learned of their husbands gender variance after decades of marriage Some were told by their husbands men they considered regular guys others found out on their own sometimes in shocking ways Their stories represent a wide spectrum of women s life experiences with crossdressers transgenderists transsexuals who are nonoperative pre operative and post operative families without children families with children at home and families with children who have left home But these women share one thing in common each has decided to stay in her relationship exploring her new life with an open yet cautious heart Some of the voices heard in Head Over Heels While putting my clothes on I found a sales receipt on the bureau from K Mart for shoes a bra and stockings My immediate thought was that my husband had a girlfriend He dressed for me one night and it was the worst experience of both our lives I was shocked and he knew it and that hurt him My siblings had been aware of Trish s transsexualism for several years when she went full time They have told me that while I will always be welcome in their homes Trish is not My husband may think differently but I do have a sexual identity Actually I m real clear about it I am a woman and he is a man I do not allow him to crossdress in the bedroom I married a man therefore I will sleep with a man Head Over Heels also includes historical and current information about resources and support for wives of gender variant people and a substantive introduction that includes basic information about sexual and gender identity and related issues
