But he wakes up to a world that resents his very existence. Everything he worked for is in danger of being destroyed. The last thing he needs is a well-meaning scientist with her own agenda. Michelle would rather work with anyone besides the surly scientist she's been partnered with. The man desperately needs an attitude adjustment. Too bad his penetrating glares also manage to hit a long-buried place inside her. It doesn't matter because there's no way she's going to enter a relationship with a coworker. And after his disastrous marriage, he has no interest in letting any woman get under his skin. Even in their standoff, sparks fly. Eventually, they will have to face the truth because curing disease isn't their only job these days. Staying one step ahead of whoever would rather see them dead is equally important. They need each other, and it would be much easier if they could get along. Even better if they could find a way to let the other into their hearts.

Convincing Leah Becca Jameson, 2021-08-17 Leah: A childhood reprimand has caused me to be extremely hard on myself. To this day, I never misbehave. But even my thoughts require absolution, and I get that at the club. My favorite release comes in the form of impact play. Two nights a week. That's all I allow myself. Many of my friends are little. I get it, but it's not for me. I can't be little. I was never little. I became an adult when I was five. I don't know how to be young. What if I do it wrong? Craig: I've wanted Leah from the moment I first saw her. I don't care that she's not little. But I'm a Daddy through and through. After two months of playing exclusively with her at the club, I want more. Can I set that part of me aside and be what she needs? Her world gets flipped upside down by a crazy fan. She needs to tap into her inner little to escape and hide. And she needs me to protect and nurture her. Can she see I'm here to pick up the pieces, no matter where they fall? **Rescued (Holt Agency**
