Reproducible Copies of Federal Tax Forms and Instructions United States. Internal Revenue Service,2014 The Rise of the Value-Added Tax Kathryn James,2015-04-30 This book explores one of the most significant trends in the evolution of global tax systems by asking how within less than half a century the value added tax VAT has risen from relative obscurity to become one of the world s most dominant revenue instruments Despite its significance very little is known about why so many countries have adopted the VAT and in particular why different countries adopt the types of VAT that they do The popular mythology provides that the merits of the VAT have underpinned its global spread however this book contends that much scholarship confuses the question of why the VAT has risen to dominance with the issue of what makes a good VAT This book combines policy and legal analysis to propose a new way of understanding the rise of this important revenue

instrument so as to better reflect the realities of the VATs that are actually implemented How to Pay Zero Taxes 2014: Your Guide to Every Tax Break the IRS Allows Jeff A.
