Ghosts of Midnights Past Jessica Arden, 2017-11-12 The one who got away is back in town but only until midnight Wendy Deveaux prickly heiress to her family's New Orleans ghost tour business has pushed aside her own dreams to take care of her family and take over the business for her ailing dad At least that's what she tells herself Sacrificing for the people she loves sounds a lot better than admitting an uncomfortable truth every time she's gotten close to taking a leap she's bailed before anyone can reject her Now this New Year's Eve Wendy's alone and spinning her wheels while everyone else speeds forward and she's second guessing her choices Especially walking away from Alec the sexy cinnamon roll Canadian who melted the ice around her Scroogy heart and completed her in a way she never saw coming When Alec unexpectedly walks back into her tour shop on New Year's Eve the old feelings rush back along with a reminder of the unshakable connection they shared before she chickened out Wendy's never been more sure in her life about what she wants But after the way she hurt him before could he ever give her a second chance Playing it safe could help her dodge another crushing blow But if she lets him walk out of her city again without fighting for him she may regret it for the rest of her life It might take three smart assed spirits a dose of holiday magic and joining forces with Alec's possibly evil twin but if Wendy can find a way to move past her fears their story just might have a happy ending after all This cozy feel good second chance romance is a retelling of a Christmas Carol perfect for anyone who's ever wanted to take a leap and see it ends happily ever after

Modern Compendium of Despicable Jerks John Prescott, 2014-04-02 This compendium is a highly opinionated

occasionally bogus representation of the most egregious modern examples of both common irritating folks and the rich and powerful who demean others while enriching themselves It also includes real villains See if you can tell the difference The subjects of this book barely scratch the surface of the total number of jerks worldwide However they are excellent examples of those who often wallow in a putrid pool of self aggrandizement This effort is offered in the same loathsome spirit by equal opportunity offenders and is intended to be all in fun but not necessarily fun for all If you haven't got anything nice to say about anybody come sit next to me Alice Roosevelt Longworth AM I THE ASSHOLE? Dr. Brandon Day, 2023-01-06 A

hilariously irreverent take on the modern memoir you'll never look at memoirs the same way again Boston Globe A heartbreaking and hilarious memoir Dr Brandon Day takes us on his lifelong odyssey of hellish introspection and painstaking self discovery He chronicles his battles with homelessness addiction bosses teachers cable companies neighbors his children and his ex wife to answer the existential question that burns inside all of us Am I the Asshole NEW YORK TIMES Brandon Day grew up in an abusive home All through his childhood his sadistic and overbearing parents tortured him by forcing him to perform all sorts of unthinkable acts such as brushing his teeth and doing his homework and by the time he was ten years old he had already become addicted to Nintendo He would spend hours upon hours in his bedroom playing games such as Mike Tyson's Punchout and The Legend of Zelda as a means to escape the suffering he endured at the hands of his cruel and merciless parents Without any real skills talent or drive Dr Brandon Day knew that if he wanted to become rich and famous that he would have to tell his story He would have to write a really self righteous memoir where he plays the victim and shits all over his friends and family complains about how hard his life is and then brags about how he overcame it all That would be his only way out of the insufferable torture of having hardly any followers on social media But upward mobility required crafting the perfect resilience narrative He had to prove to himself and the rest of the world that he was not just lazy and he was an overcomer made stronger by all the bullshit he had endured at the hands of not only his parents but other family members friends co workers teachers wives ex wives bosses neighbors and even his own children However the truth was more complicated After he graduated from college Dr Brandon's mom and dad kept breaking his balls about smoking too much pot and finding a fucking job already If only it were that easy Eventually his parents would kick him out of their house and even force him to pay for his own car insurance when he was just a young scared 26 years old little boy Dr Brandon learns to confront his own past filled with many secrets a marijuana stash he hid in his sock drawer all through high school

phone calls from debt collectors who use strange numbers to try to trick him into picking up dozens of lost car keys and wallets he never found and sometimes even peeing in the kitchen sink when he is drunk All of which led to the unbecoming desperation of a 40 year old man forced to a reckoning with his own identity Although Dr Brandon would go on to graduate from college and become a high school guidance counselor he found that sweet ass summer vacations and a strong teacher s union didn t necessarily mean safety from judgment from the patriarchy or American meritocracy Both a chronicle of the American Dream and an indictment of it this searing debut memoir exposes the price we pay for the promise of a bright future Dr Brandon Day s story challenges our ideas of what it means to overcome and live life on our own terms even if those terms mean that you re kind of an asshole *Bible Studies from an Asshole* Ray Cabron,2016-12-14 Dear Christianity Look I know you meant well and I know you did the best you could but I think it s time that we have an intervention You ve been getting it all wrong I don t just mean the thing with being self righteous and not feeding the hungry or caring for the misfortunate Although that s certainly a part of it No It s more than that It s much more And I know you prefer everything to be nice and for there to be only clean language That s part of the problem too You see your failure is so bad that I can t help but use bad words So if you kindly would please give this a read I promise you ll learn a lot about your Bible you did not know and you ll never see your faith the same way ever again And maybe then you can get it right for a change From the author of the blog Bible Studies from an Asshole comes this humorous heartfelt and outrageously honest and eye opening work The Christian faith may never be the same again **A Theory of Jerks and Other Philosophical Misadventures** Eric Schwitzgebel,2020-11-10 A collection of quirky entertaining and reader friendly short pieces on philosophical topics that range from a theory of jerks to the ethics of ethicists Have you ever wondered about why some people are jerks Asked whether your driverless car should kill you so that others may live Found a robot adorable Considered the ethics of professional ethicists Reflected on the philosophy of hair In this engaging entertaining and enlightening book Eric Schwitzgebel turns a philosopher s eye on these and other burning questions In a series of quirky and accessible short pieces that cover a mind boggling variety of philosophical topics Schwitzgebel offers incisive takes on matters both small the consciousness of garden snails and large time space and causation A common theme might be the ragged edge of the human intellect where moral or philosophical reflection begins to turn against itself lost among doubts and improbable conclusions The history of philosophy is humbling when we see how badly wrong previous thinkers have been despite their intellectual skills and confidence See for example Kant on Killing Bastards Masturbation Organ Donation Homosexuality Tyrants Wives and Servants Some of the texts resist thematic categorization thoughts on the philosophical implications of dreidels the diminishing offensiveness of the most profane profanity and fatherly optimism but are no less interesting Schwitzgebel has selected these pieces from the more than one thousand that have appeared since 2006 in various publications and on his popular blog The Splintered Mind revising and updating them for this book Philosophy has never been this much fun
