Join the ePublishing Gold Rush , **Rape Culture, Purity Culture, and Coercive Control in Teen Girl Bibles** Caroline Blyth,2021-02-10 In this fascinating book Caroline Blyth takes a close look at Bibles marketed to teen girls and asks how these might perpetuate harmful gender stereotypes that lie at the heart of rape culture The author considers the devotionals commentaries and advice sections placed throughout these Bibles which offer teen girl readers life advice on topics such as friendships body image and how to navigate romantic relationships Within these discussions there is a strong emphasis on modesty purity and sexual passivity as markers of young women s godliness Yet as the author argues these gendered ideals are prescribed to readers using rape supportive discourses and the tactics of coercive control Moreover the placement of these various editorial inserts within the pages of sacred scripture gives them considerable power to reinforce deeply harmful ideologies about gender sexuality and sexual violence Given the seeming popularity of these Bibles among Christian teen girls the need to dismantle their damaging rhetoric is especially urgent This book will be of particular interest to those studying the Bible religion gender and theology as well as the general reader **Psychoanalysis** David

Elhanan-Peled, 2023-09-11 The Zionist pedagogical narrative reproduced in schoolbooks views the migration of Jews to Israel as the felicitous conclusion of the journey from the Holocaust to the Resurrection It negates all forms of diasporic Jewish life and culture and ignores the history of Palestine during the 2000 year long Jewish exile This narrative otherizes three main groups vis vis whom Israeliness is constituted Holocaust victims who are presented in a traumatizing manner as the stateless and therefore persecuted Jews we refuse but might become again if we lose control over Palestinian Arabs who constitute the second group of others Palestinians are racialized demonized and portrayed as our potential exterminators The third group of others comprises non European Mizrahi and Ethiopian Jews They are described as backward people who lack history or culture and must undergo constant acculturation to fit into Israel's Western society Thus a rhetoric of victimhood and power evolves and a nationalistic interpretation of the never again imperative is inculcated justifying the Occupation and oppression of Palestinians and the marginalization of non European Jews This rhetoric is conveyed multimodally through discourse genres and visual elements The present study which advocates a multidirectional memory proposes an alternative Hebrew Arabic multi voiced and poly centered curriculum that would relate the accounts of the people whom the pedagogic narrative seeks to conceal and exclude This joint curriculum will differ from the present one not only in content but also ideologically and semiotically Instead of traumatizing and urging vengeance it will encourage discussion and celebrate diversity and hybridity *Gravity's Revolt: Part One* William Guy, 2001-01-09 1975 Christopher Reed a young minister in his first job receives much needed seasoning is necessarily disillusioned How On one level by having an affair with Becky Grierson one of his teen aged parishioners But the affair is begun on a theological dare so to speak in order to test an intriguing vision of the

freedom of the Gospel which Dr Buttrick the senior pastor under whom Reed works a truly Christ like man though it depends of course on what your image of Jesus is has presented Scrupulous or guilt stricken Reed tells his wife Vinnie an artist and a free thinker what he has done with Becky Vinnie erupts then curiously over time adjusts gradually accommodates herself allows the affair to continue Reed also tells Dr Buttrick what he has done Great spirited a wise old man a genius Dr Buttrick listens and counsels He counsels both Reed and Vinnie The three of them discuss the limits of marriage the relevance of Christianity to same Vinnie and Dr Buttrick have their own intense relationship Meanwhile the meteoric Becky moves through her senior year in high school fights free of her youth and prepares to leave for college Obsessed almost Reed suffers at the prospect of losing her And grows in some way as a person or at least as a pastor learning to expect less of the flock which he supposedly leads since if often acts less than nobly Some members even turn on Dr Buttrick the genuinely good man in the year of the novels action
