

The Great Awakening

Linford D. Fisher

The Great Awakening:

Inventing the "Great Awakening" Frank Lambert, 2021-01-12 This book is a history of an astounding transatlantic phenomenon a popular evangelical revival known in America as the first Great Awakening 1735 1745 Beginning in the mid 1730s supporters and opponents of the revival commented on the extraordinary nature of what one observer called the great ado with its extemporaneous outdoor preaching newspaper publicity and rallies of up to 20 000 participants Frank Lambert biographer of Great Awakening leader George Whitefield offers an overview of this important episode and proposes a new explanation of its origins The Great Awakening however dramatic was nevertheless unnamed until after its occurrence and its leaders created no doctrine nor organizational structure that would result in a historical record That lack of documentation has allowed recent scholars to suggest that the movement was invented by nineteenth century historians Some specialists even think that it was wholly constructed by succeeding generations who retroactively linked sporadic happenings to fabricate an alleged historic development Challenging these interpretations Lambert nevertheless demonstrates that the Great Awakening was invented not by historians but by eighteenth century evangelicals who were skillful and enthusiastic religious promoters Reporting a dramatic meeting in one location in order to encourage gatherings in other places these men used commercial strategies and newly popular print media to build a revival one that they also believed to be an extraordinary work of God They saw a special meaning in contemporary events looking for a transatlantic pattern of revival and finding a motive for spiritual rebirth in what they viewed as a moral decline in colonial America and abroad By examining the texts that these preachers skillfully put together Lambert shows how they told and retold their revival account to themselves their followers and their opponents His inquiries depict revivals as cultural productions and yield fresh understandings of how believers spread the word with whatever technical and social methods seem the most effective

The Great Awakening Joseph Tracy, 1842 **The Great Awakening** Jonathan Edwards, 1972 Interpreting the Great Awakening of the eighteenth century was in large part the work of Jonathan Edwards whose writings on the subject defined the revival tradition in America Moving from sensitive descriptions of the Surprising work of God in conversion to a consuming quest for the essence of true religion and threading his way through mounting controversies over errors in doctrine and disorders in practice Edwards sought to locate an authentic core of evangelical experience to define it in terms of biblical faith and psychological insight and to defend it against both overheated zealous and rationalistic critics The tracts that unfold his thoughts presented here with related correspondence for the first time in accurate critical texts document a movement so significant for the American character that it has been called our national conversion In a carefully researched introduction C C Goen identifies the Arminian threat to which the Northampton pastor responded at the onset of the Awakening and traces Edwards understanding of vital religion as it developed in the ambiguous context of revivalism Mr Goen s study also illuminates little known aspects of A Faithful Narrative and describes the haphazard way in which that

important work reached its eager audience C C Goen author of *Revivalism and Separatism in New England 1740 1800 1962* is professor of church history at the Wesley Theological Seminary in Washington D C

The Great Awakening Richard L. Bushman, 2013-04-01 Most twentieth century Americans fail to appreciate the power of Christian conversion that characterized the eighteenth century revivals especially the Great Awakening of the 1740s The common disdain in this secular age for impassioned religious emotion and language is merely symptomatic of the shift in values that has shunted revivals to the sidelines The very magnitude of the previous revivals is one indication of their importance Between 1740 and 1745 literally thousands were converted From New England to the southern colonies people of all ages and all ranks of society underwent the New Birth Virtually every New England congregation was touched It is safe to say that most of the colonists in the 1740s if not converted themselves knew someone who was or at least heard revival preaching The Awakening was a critical event in the intellectual and ecclesiastical life of the colonies The colonists view of the world placed much importance on conversion Particularly Calvinist theology viewed the bestowal of divine grace as the most crucial occurrence in human life Besides assuring admission to God's presence in the hereafter divine grace prepared a person for a fullness of life on earth In the 1740s the colonists in overwhelming numbers laid claim to the divine power which their theology offered them Many experienced the moral transformation as promised In the Awakening the clergy's pleas of half a century came to dramatic fulfillment Not everyone agreed that God was working in the Awakening Many believed preachers to be demagogues stirring up animal spirits The revival was looked on as an emotional orgy that needlessly disturbed the churches and frustrated the true work of God But from 1740 to 1745 no other subject received more attention in books and pamphlets Through the stirring rhetoric of the sermons theological treatises and correspondence presented in this collection readers can vicariously participate in the ecstasy as well as in the rage generated by America's first national revival

The Great Awakening in New England Edwin Scott Gaustad, 1957 Perhaps the most profound religious revival in the history of the New World took place in New England three centuries ago between 1740 and 1742 this tremendous spiritual upheaval had an effect upon the American colonies comparable to those produced by the great Methodist revival in England and the pietistic revolution in Germany somewhat earlier Dr Gaustad considers the Great Awakening in New England one of the most significant cultural phenomena in American colonial history and has written a significant book that makes clear its theological intellectual and institutional effects in American life Now for the first time in a century this epoch is studied in full detail and with an objectivity impossible then It is seen that for all its excesses and errors this period in colonial life exhibited many aspects of the religious problem of this country Its examination in the light of present day theology is vital to an understanding of America's religious heritage Jonathan Edwards George Whitefield Solomon Stoddard and others were the prime movers of this revival that fused two disparate strains in New England life The Enlightenment which was sober and straitlaced and Revivalism which was emotional and intense Never before has this watershed in early American life been so

thoroughly researched from the sociological the theological and the historical point of view publisher *The Great Awakening* Mark C. Lee,2016-12-07 The Great Awakening Movement between 1720 and 1740s was one of most splendid chapters of early Christian history The movement stirred up a mass religious conversion in colonial America with a call to live a holy life The seeds of the Awakening were sown when Rev Jonathan Edwards 1703 1758 began to preach revivalistic sermons in Northampton Massachusetts George Whitefield 1714 1770 started his preaching tour of colonial America between 1739 and 1740 It was during his preaching tour that the Great Awakening erupted Edwards and Whitefield were the two major catalysts in the Awakening era It was during this period that churches of many different denominations had tremendous growth Every believers life is a living testimony of Gods grace of salvation George Whitefield said it so well in May 21 1740 Christ was God and man in one person that God and man might be happy together again *The Great Awakening* Joseph Tracy,2018-04-11 The Awakening s biggest significance was the way it prepared America for its War of Independence In the decades before the war revivalism taught people that they could be bold when confronting religious authority and that when churches weren t living up to the believers expectations the people could break off and form new ones This evangelical movement left a permanent impact on American Protestantism that is still visible today No longer would Christianity be dominated by ritual ceremony and hierarchy instead it would become a much more personal religion It gave average people the means to develop an individual sense of spiritual conviction and encouraged men and women across the colonies to study their own relationships with God and commit themselves to a new standard of Christian morality Preachers travelled great distances to spread their evangelical message and to be heard by new audiences Two of the most prominent leaders of the Great Awakening were Jonathan Edwards and George Whitefield Together they forged a new form of evangelical Christianity that could be understood by the masses and came to epitomize religion in America Joseph Tracy s brilliant study of this period and the religious revival that took place uncovers how figures such as Whitefield and Edwards changed the shape of American religion forever The Great Awakening is essential reading for anyone interested in eighteenth century colonial America and the religious revival that took hold of it Joseph Tracy was a Protestant minister newspaper editor historian and leading figure in the American Colonization Society Many scholars believe Tracy s work *The Great Awakening* to be the seminal work on religious revival in eighteenth century America His book was published in 1842 and he passed away in 1874 *The Great Awakening* Joseph Tracy,2018-01-08 In the early eighteenth century a great religious awakening swept through America This evangelical movement left a permanent impact on American Protestantism that is still visible today No longer would Christianity be dominated by ritual ceremony and hierarchy instead it would become a much more personal religion It gave average people the means to develop an individual sense of spiritual conviction and encouraged men and women across the colonies to study their own relationships with God and commit themselves to a new standard of Christian morality Preachers traveled great distances to spread their evangelical message and to be heard by

new audiences Two of the most prominent leaders of the Great Awakening were Jonathan Edwards and George Whitefield Together they forged a new form of evangelical Christianity that could be understood by the masses and came to epitomize religion in America Joseph Tracy s brilliant study of this period and the religious revival that took place uncovers how figures such as Whitefield and Edwards changed the shape of American religion forever The Great Awakening is essential reading for anyone interested in eighteenth century colonial America and the religious revival that took hold of it Joseph Tracy was a Protestant minister newspaper editor historian and leading figure in the American Colonization Society Many scholars believe Tracy s work The Great Awakening to be the seminal work on religious revival in eighteenth century America His book was published in 1842 and he passed away in 1874 *The Great Awakening* Thomas S. Kidd,2008-10-01 In the mid eighteenth century Americans experienced an outbreak of religious revivals that shook colonial society This book provides a definitive view of these revivals now known as the First Great Awakening and their dramatic effects on American culture Historian Thomas S Kidd tells the absorbing story of early American evangelical Christianity through the lives of seminal figures like Jonathan Edwards and George Whitefield as well as many previously unknown preachers prophets and penitents The Great Awakening helped create the evangelical movement which heavily emphasized the individual s experience of salvation and the Holy Spirit s work in revivals By giving many evangelicals radical notions of the spiritual equality of all people the revivals helped breed the democratic style that would come to characterize the American republic Kidd carefully separates the positions of moderate supporters of the revivals from those of radical supporters and he delineates the objections of those who completely deplored the revivals and their wildly egalitarian consequences The battles among these three camps the author shows transformed colonial America and ultimately defined the nature of the evangelical movement

Jonathan Edwards: Writings from the Great Awakening (LOA #245) Jonathan Edwards,2013-10-17 A collection of writings from and about New England s Great Awakening a spiritual movement that gave rise to American evangelicalism from the theologian and philosopher who first reported it to the masses Jonathan Edwards 1703 1758 is recognized today as a great theologian and philosopher In his own day Edwards was best known as a leader of what is now known as the Great Awakening a series of small town revivals that mushroomed into a movement credited with giving birth to American evangelicalism and laying the groundwork for the American Revolution In authoritative texts drawn from first editions and manuscript sources this volume brings together all of Edwards s essential writings from and about the revivals including the famous sermon Sinners in the Hands of an Angry God and his vivid Faithful Narrative of the Surprising Work of God in the Conversion of Many Hundreds of Souls the work that first publicized the awakenings Characterized by precise logic and powerful imagery his writing continues to inspire students and spiritual seekers alike LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation s literary heritage by publishing and keeping permanently in print America s best and most significant writing The Library of America series includes more than

300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries

The Rhetoric of the Revival: The Language of the Great Awakening Preachers Michał Choiński, 2016-04-18 Michał Choiński explores the language of the key preachers of the Great Awakening of the mid eighteenth century and seeks to explain the impact their sermons exerted upon colonial American audiences The revival of the 1739-43 is recognized as an important event in American colonial history formative for the shaping of the culture of New England and beyond Choiński highlights a variety of inventive rhetorical mechanisms employed by these ministers evolved into what came to be called the rhetoric of the revival became commonplace for American revivalism and were fundamental for the persuasive power of Great Awakening preaching and the communicative success of the New Light ministers

The Great Awakening in the Middle Colonies Charles Hartshorn Maxson, 1920

The Works of Jonathan Edwards: The Great Awakening Jonathan Edwards, 1972

The Great Awakening Thomas S. Kidd, 2018-10-24 A detailed examination of the First Great Awakening this volume presents a valuable study of the spiritual movement that profoundly shaped colonial American cultural and religious life Thomas Kidd's comprehensive introduction relies on recent scholarship to describe three contemporary views of the revivals those of radicals in favor of them moderates supporting them and antirevivalists attacking them The views and experiences of these participants and critics emerge through nearly 40 documents organized into topical sections By expanding coverage of the radicals and the ordinary people including women African Americans and Native Americans who joined the revival movement Kidd gives students an opportunity to hear a broader collection of voices from colonial American society The volume also includes illustrations headnotes to the documents a chronology of the Great Awakening a selected bibliography questions to consider and an index

The Indian Great Awakening Linford D. Fisher, 2012-06-13 The First Great Awakening was a time of heightened religious activity in the colonial New England Among those whom the English settlers tried to convert to Christianity were the region's native peoples In this book Linford Fisher tells the gripping story of American Indians attempts to wrestle with the ongoing realities of colonialism between the 1670s and 1820 In particular he looks at how some members of previously unevangelized Indian communities in Connecticut Rhode Island western Massachusetts and Long Island adopted Christian practices often joining local Congregational churches and receiving baptism Far from passively sliding into the cultural and physical landscape after King Philip's War he argues Native individuals and communities actively tapped into transatlantic structures of power to protect their land rights welcomed educational opportunities for their children and joined local white churches Religion repeatedly stood at the center of these points of cultural engagement often in hotly contested ways Although these Native groups had successfully resisted evangelization in the seventeenth century by the eighteenth century they showed an increasing interest in education and religion Their sporadic participation in the First Great Awakening marked a continuation of prior forms of cultural engagement More surprisingly however in the decades after the

Awakening Native individuals and sub groups asserted their religious and cultural autonomy to even greater degrees by leaving English churches and forming their own Indian Separate churches In the realm of education too Natives increasingly took control preferring local reservation schools and demanding Indian teachers whenever possible In the 1780s two small groups of Christian Indians moved to New York and founded new Christian Indian settlements But the majority of New England Natives even those who affiliated with Christianity chose to remain in New England continuing to assert their own autonomous existence through leasing land farming and working on and off the reservations While Indian involvement in the Great Awakening has often been seen as total and complete conversion Fisher s analysis of church records court documents and correspondence reveals a more complex reality Placing the Awakening in context of land loss and the ongoing struggle for cultural autonomy in the eighteenth century casts it as another step in the ongoing tentative engagement of native peoples with Christian ideas and institutions in the colonial world Charting this untold story of the Great Awakening and the resultant rise of an Indian Separatism and its effects on Indian cultures as a whole this gracefully written book challenges long held notions about religion and Native Anglo American interaction

Jonathan Edwards's Apologetic for the Great Awakening Robert Davis Smart, 2011-06-06

In the 1740s Jonathan Edwards emerged as the New Light proponent of the claim that the Great Awakening was in the main a true work of the Spirit of God Conversely Charles Chauncy led the Old Lights in opposition by offering criticisms of the Awakening In this book Robert Davis Smart examines Edwards s defense of the revival with particular attention to Chauncy s criticisms which have often been acknowledged but not previously subjected to thorough analysis He sets forth historical and contextual factors that shaped Edwards and his generation shows how Edwards emerged as a leader of the revival from its early days and offers an updated survey of the modern attempts to interpret the Awakening theologically sociologically and historically Here is a detailed treatment of the contrasting perspectives of Edwards and Chauncy an extensive analysis of their major works regarding the revival an able

The Great Awakening Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Great Awakening has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Great Awakening has opened up a world of possibilities. Downloading The Great Awakening provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Great Awakening has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Great Awakening. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Great Awakening. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Great Awakening, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Great Awakening has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Great Awakening Books

1. Where can I buy The Great Awakening books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Great Awakening book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The Great Awakening books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are The Great Awakening audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read The Great Awakening books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
