Isaac, 2022-05-03 This book is an engaging look at spiritual awakenings that have happened in the church throughout history It examines how these extraordinary movements of God translate into the larger cultural analysis of today Spiritual awakenings have refreshed the people of God from the very origins of the church What about these past movements can be instructive for the church today Can we expect God's awakening presence in our day These questions brought about the Surprising Work of God Conference in the fall of 2015 in which speakers traced awakening movements from the Old and New Testaments to the present day Great Awakenings represents the culmination of this conference as the collected works of notable speakers Chapters address questions about spiritual awakenings through historical theological and sociological lenses They look at the events that precipitated these awakenings evaluating whether their causes were purely religious or otherwise and finally suggest what about the awakenings is normative for the church today

Call Down Lightning Wallace Henley, 2019-03-12 God Is Up to Something Big The Bible dedicates more space to prophecy than to any other subject These prophetic portions of Scripture have received an enormous amount of literary attention throughout the history of the church Over the past fifty years alone countless books have been written about the biggest global trends of our day and whether they are signs of the coming end times But one sign has been inexplicably neglected revival Wallace Henley believes such a spiritual awakening is not only possible today but probable and likely a harbinger of the end times Where are we on the timeline of human history Are we approaching the rapture of the church Henley presents a meticulously researched and compelling case that the Welsh Revival and the historical cycle revealed in God's redemptive interactions with nations make it highly likely that our contemporary world is ripe for the lightning of another revival Henley is confident that we will be a part of that worldwide

event perhaps moving all creation nearer to its sudden glorious conclusion and rebirth *The Awakening in Wales* Jessie Penn-Lewis, 2014-01-14 Watchman Nee called it the greatest known revival in church history On October 31 1904 Evan Roberts a twenty six year old former miner returned home from a ministry training program having quit his job at the urging of the Holy Spirit That night he joined sixteen other young people at a village chapel and from that humble origin sprang a spiritual revival that roared across the hills and valleys of Wales Thousands of souls were welcomed into God's kingdom Even the press could not ignore the changes occurring and eagerly reported on Roberts every move As suddenly as he had appeared Roberts vanished from the world stage only to reemerge twenty years later What happened How did God work so miraculously Jessie Penn Lewis was well acquainted with the revival and with its leader Evan Roberts Her clear and concise history of the events of that time remains a treasure for all of us who pray for revival to return in our day *The Power to Change the World* Rick Joyner, 2006-07 The Power to Change the World is the remarkable story of the Welsh and Azusa Street Revivals two great revivals of church history This book explores how these revivals were linked together and how they are ultimately linked to what is coming the harvest at the end of the age *The Welsh Revival* William Thomas Stead, 1905

providing a more tradition constituted Pentecostal rationality Utilising the methodological insights of MacIntyre the book then provides a philosophically informed historical narrative of a major British Pentecostal tradition namely the Elim Foursquare Gospel Alliance by exploring its underlying context and roots as a classical Pentecostal movement its emergence as a religious tradition and its two major epistemological crises Based on this historical narration and analysis it is argued that Elim s tacit Pentecostal rationality is best defined as Pentecostal Biblical Pragmatism in a Foursquare Gospel framework This form of rationality is then developed vis vis Elim s Pentecostal concept of truth biblical hermeneutics and pragmatic epistemic justification in dialogue with William P Alston In doing the above the book not only articulates a tradition specific Pentecostal rationality of Biblical Pragmatism but also provides the first intellectual history of a major British classical Pentecostal denomination
