The Comic Strip Art of Jack B. Yeats Michael Connerty, 2021-08-30 This monograph seeks to recover and assess the critically neglected comic strip work produced by the Irish painter Jack B Yeats for various British publications including *Comic Cuts* *The Funny Wonder* and *Puck* between 1893 and 1917 It situates the work in relation to late Victorian and Edwardian media entertainment and popular culture as well as to the evolution of the British comic during this crucial period in its development Yeats recurring characters including circus horse Signor McCoy detective pastiche Chubblock Homes and proto superhero Dicky the Birdman were once very well known part of a boom in cheap and widely distributed comics that Alfred Harmsworth and others published in London from 1890 onwards The repositioning of
