But it turns out Lamb's buried a bloody past of his own. And out in the lawless Far Country the past never stays buried. Their journey will take them across the barren plains to a frontier town gripped by gold fever, through feud, duel and massacre, high into the unmapped mountains to a reckoning with the Ghosts. Even worse, it will force them into an alliance with Nicomo Cosca, infamous soldier of fortune and his feckless lawyer Temple. Two men no one should ever have to trust.

RED COUNTRY takes place in the same world as the First Law trilogy: *Best Served Cold* and *The Heroes*. This novel also represents the return of Logen Ninefingers, one of Abercrombie's most beloved characters.

Best Served Cold Joe Abercrombie, 2009-06-01

Springtime in Styria. And that means war. There have been nineteen years of blood. The ruthless Grand Duke Orso is locked in a vicious struggle with the squabbling League of Eight, and between them they have bled the land white. While armies march, heads roll and cities burn behind the scenes, bankers, priests and older, darker powers play a deadly game to choose who will be king. War may be hell, but for Monza Murcatto, the Snake of Talins, the most feared and famous mercenary in Duke Orso's employ, it's a damn good way of making money too. Her victories have made her popular, a shade too popular for her employer's taste. Betrayed, thrown down a mountain and left for dead, Murcatto's reward is a broken body and a burning hunger for vengeance. Whatever the cost, seven men must die. Her allies include Styria's least reliable drunkard, Styria's most treacherous poisoner, a mass murderer obsessed with numbers and a Northman who just wants to do the right thing. Her enemies number the better half of the nation. And that's all before the most dangerous man in the world is dispatched to hunt her down and finish the job.

Duke Orso started *Springtime in Styria*. And that means revenge.

Last Argument of Kings Joe Abercrombie, 2009-06-18

The end is coming. Logen Ninefingers might only have one more fight in him, but it's going to be a big one. Battle rages across the North, the King of the Northmen still stands firm, and there's only one man who can stop him. His oldest friend and his oldest enemy. It's past time for the Bloody Nine to come home. With too many masters and too little time. Superior Glokta is fighting a different kind of war. A secret struggle in which no one is safe and no one can be trusted. His days with a sword are far behind him. It's a good thing blackmail, threats and torture still work well enough. Jezal dan Luthar has decided that winning glory is far too painful and turned his back on soldiering for a simple life with the woman he loves. But love can be painful too, and glory has a nasty habit of creeping up on a man when he least expects it. While the King of the Union lies on his deathbed, the peasants revolt and the nobles scramble to steal his crown. No one believes that the shadow of war is falling across the very heart of the Union. The First of the Magi has a plan to save the world as he always does. But there are risks. There is no risk more terrible after all than to break the First Law.

Shapes, Scenes and Strokes: Book Reviews 2015 Manuel Augusto Antão, 2016-01-13 The experience of thinking about preparing or writing a text be it a book review or about an art exhibition cannot be limited solely to the artistic experience There must

always be another kind of challenge I want that elusive thing that I found together with the encounter that I had with the object and the experience we lived together Every day when I wake up I don't think about writing but I wonder whether I'll be able to rise to the calling of that particular object a book a painting a play opera etc The characters in them are never marginal figures I know that they exist but I do not know them I do not confront myself with them or I only do so in highly stereotypical situations where they almost become invisible When I write about something this is my attempt at turning the invisible into the visible

The Book News Monthly, 1918 *A Thousand Heroes and One* Arthur Maia, 2023-05-05 This master's thesis approaches the heroes in George R R Martin's *A Song of Ice and Fire* analyzing the journeys of Eddard Stark Quentyn Martell Jon Snow and Daenerys Targaryen The application of Campbell's famous Monomyth or Hero's Journey did not prove particularly successful when it comes to this series which leads to a series of ponderations about its universality and the role point of view plays in this debate *A Song of Ice and Fire* is a masterpiece of fantasy literature that helps scholars to rethink axioms they have been taking for granted for decades and there is still much more to be said about it

A Natural History of the Romance Novel Pamela Regis, 2013-08-31 The romance novel has the strange distinction of being the most popular but least respected of literary genres While it remains consistently dominant in bookstores and on best seller lists it is also widely dismissed by the critical community Scholars have alleged that romance novels help create subservient readers who are largely women by confining heroines to stories that ignore issues other than love and marriage Pamela Regis argues that such critical studies fail to take into consideration the personal choice of readers offer any true definition of the romance novel or discuss the nature and scope of the genre Presenting the counterclaim that the romance novel does not enslave women but on the contrary is about celebrating freedom and joy Regis offers a definition that provides critics with an expanded vocabulary for discussing a genre that is both classic and contemporary sexy and entertaining Taking the stance that the popular romance novel is a work of literature with a brilliant pedigree Regis asserts that it is also a very old stable form She traces the literary history of the romance novel from canonical works such as Richardson's *Pamela* through Austen's *Pride and Prejudice* Brontë's *Jane Eyre* and E M Hull's *The Sheik* and then turns to more contemporary works such as the novels of Georgette Heyer Mary Stewart Janet Dailey Jayne Ann Krentz and Nora Roberts
