hypersexualized world to the body as a receptacle of violence that expresses the death drive This book is a fascinating contribution to literary gender and cultural studies

A Hitman's Forever B.C. Robertson,2022-02-26 Edric All things get difficult before they get easy Fourteen years ago my ex

best friend read those exact words to me But long past are the days when I couldn't read and so are the days when I had Rylan Rhimes in my life That is until I sign a contract to take his life I'm a hitman He's a special agent of the FBI We couldn't be more opposite than a unicorn is to a dragon But that doesn't stop me from taking whatever he's willing to give Building trust and a long lost friendship could come at a cost but it's a risk I'm willing to take Because if there were ever one person I couldn't resist it would be Rylan Rhimes Rylan He is the last person I thought I'd see standing in my bedroom of all places and the sight of him takes my breath away I broke our friendship with a hard kick out the door and I've regretted it ever since Years later he's back with a gift that has my name printed neatly at the top Sweet dreams become a reality but so do the nightmares As our worlds collide so do we in and out of bed It's everything I've ever wanted The only question is can I put our differences aside to be with the one person I care about the most
