Sometimes it's better to start small with a sentence Every English teacher has experienced it students staring at an empty page seemingly paralyzed by a writing assignment When this happens it may be time to back off from the Big Idea approach to the art of reading and writing and zero in on a single sentence In this book a master teacher offers a complete guide to a sentence level approach Helping students recognize the techniques that make sentences great is the first step and there are plenty of examples here from YA novels TV shows and song lyrics as well as the novels poetry and nonfiction pieces that form the canon of middle and high school reading lists Lesson plans include activities to introduce the featured element of style questions to guide students in their analysis and writing prompts and activities to spark students interest and creativity With this Little to Big strategy students move quickly from analysis of the words between two periods to the universe of ideas of which that sentence is a part They may even be eager to write their own *Understanding and Interpreting Texts. "The Hobbit" by J.R.R. Tolkien (Englisch 10. Klasse Realschule)* Teresa Schenk, 2017-06-12 Lesson Plan from the year 2017 in the subject Didactics for the subject English Pedagogy Literature Studies grade 10 University of Augsburg language English abstract The lesson described in this paper is based on the book *The Hobbit* by J R R Tolkien The lesson is intended for a year 10 class in a grammar school the recipients of the lesson will therefore be 14 to 17 year old pupils The fantasy novel *The Hobbit* was chosen for several reasons The book was originally written for children which means that it contains relatively easy vocabulary and is fun to read at the same time Pupils are likely to enjoy this book as it is set in a fictional world that is lovingly described and is packed with action as the protagonists have to survive many exciting adventures Furthermore J R R Tolkien is listed in the syllabus for Realschulen as an author that could be discussed in year 10 As the pupils at grammar school are the same age should have similar competences and most likely have similar interests as pupils in a Realschule the book should be appropriate for grammar school pupils too The lesson described in this paper would be the first of about eight lessons on the book and would be 45 minutes long The main focus of the lesson is set on reading comprehension and so the overall goal of the lesson is for the pupils to be capable of summarising the first two chapters of *The Hobbit* in their own words as well as being able to reflect on the novel This goal is based on the syllabus for English in grammar schools in year

10 The aims of reading comprehension that should be attained by the end of year 10 are described here Among other things Pupils should be able to read long and complicated literary texts and understand them on their own This is expected of the pupils in the lesson on The Hobbit as the homework due for the lesson is to read the first two chapters of The Hobbit on their own In the section on understanding texts there is a passage stating that pupils in year 10 should read either a novel or a drama of the twentieth or twenty first century and understand interpret and give their own opinion on the text ISB 2004 The novel The Hobbit fits into the category of novels from the twentieth century as it was published in 1937 Tolkien 1997 and in the course of the lesson will be understanding interpreting and giving their own opinion on the text Teaching Thinking in K-12 Classrooms Iris M. J.R.R. Tolkien, Robert E. Howard and the Birth of Modern Fantasy Deke Parsons, 2014-11-14 The birth of modern fantasy in 1930s Britain and America

saw the development of new literary and film genres J R R Tolkien created modern fantasy with The Lord of the Rings set in a fictional world based upon his life in the early 20th century British Empire and his love of language and medieval literature In small town Texas Robert E Howard pounded out his own fantasy realm in his Conan stories published serially in the ephemeral pulp magazines he loved Jerry Siegel created Superman with Joe Shuster and laid the foundation for perhaps the most far reaching fantasy worlds the universe of DC and Marvel comics The work of extraordinary people who lived in an extraordinary decade this modern fantasy canon still provides source material for the most successful literary and film franchises of the 21st century Modern fantasy speaks to the human experience and still shows its origins from the lives and times of its creators
