This study unravels the real dynamics at stake within the Lebanese Madame Sri Lankan housemaid relationship. Unraveled in this book are the real dynamics at stake in the Madame housemaid relationship. While cases of extreme physical abuse by the Lebanese women who hire housemaids, Madames are an exception, what has become normalised are more insidious patterns of domination used to control each and every aspect of their employees' lives. For their part, Sri Lankan housemaids are not merely passive victims. Away from direct provocation and first hand repercussions they try to deflect what Pierre Bourdieu has called symbolic violence. These attempts at everyday forms of resistance as defined by James Scott can help loosen their employers' grip. Yet as this unprecedented study shows, the Madame housemaid relationship and the rules that govern it remain under the managerial hold of the Madame. They are Siamese twins and they suffer from large tumors that cover their entire body. The girls grow up in a large mansion as their folks are the wealthiest in town. Their mother Patricia is kind and loving. But their father is a cold-blooded alcoholic and he abuses them every chance he gets. Locking them away in the attic because of the way they look, he keeps them chained to the floor. Their names are Agatha and Greta Winters and they are very intelligent for their age. The dark fairy tale is a constant struggle for

them as their mother tries her best to keep them from becoming monsters like their father He on the other hand wants to destroy any chance they have for a normal life The question is Will they ever defeat their tyrant father and escape the attic where they are imprisoned **Wives and Daughters, an Every-day Story** Elizabeth Cleghorn Gaskell,1897 **Works:**
