Beezley, Judith Ewell, 1987 **The Oxford History of Twentieth Century** Michael Howard, William Roger Louis, 2002-08-08 In this ambitious book some of the most distinguished historians in the world survey the momentous events and the significant themes of recent times with a look forward to what the future might bring Early chapters take a global overview of the century as a whole from a variety of perspectives demographic scientific economic and cultural Further chapters all written by acknowledged experts chart the century's course region by region The Oxford History of the Twentieth Century is an invaluable repository of information and offers unparalleled insights on the twentieth century Everyday Forms of State Formation Gilbert Michael Joseph, Daniel Nugent, 1994 Everyday Forms of State Formation is the first book to systematically examine the relationship between popular cultures and state formation in revolutionary and post revolutionary Mexico While most accounts have emphasized either the role of peasants and peasant rebellions or that of state formation in Mexico's past these original essays reveal the state's day to day engagement with grassroots society by examining popular cultures and forms of the state simultaneously and in relation to one another Structured in the form of a dialogue between a distinguished array of Mexicanists and comparative social theorists this volume boldly reassesses past analyses of the Mexican revolution and suggests new directions for future study Showcasing a wealth of original archival and ethnographic research this collection provides a new and deeper understanding of Mexico's revolutionary experience It also speaks more broadly to a problem of extraordinary contemporary relevance the manner in which local societies and self proclaimed revolutionary states are articulated historically The result is a unique collection bridging social history anthropology historical sociology and cultural studies in its formulation of new approaches for rethinking the multifaceted relationship between power culture and resistance Contributors Ana Mar a Alonso Armando Bartra Marjorie Becker Barry Carr Philip Corrigan Romana Falc n Gilbert M Joseph Alan Knight Florencia E Mallon Daniel Nugent Elsie Rockwell William Roseberry Jan Rus Derek Sayer James C Scott *A Hemisphere of Women* E. Sue Wamsley, 2022-02 Though the first decades of the twentieth century witnessed extensive U S intervention in Latin American affairs the United States started to back away from overtly flexing its military muscle to gain power and control instead using a type of soft power more in tune with the spirit of cooperation and collaboration This new policy often viewed as female attributes of Pan Americanism opened the door for women to gain a foothold on the inter American stage In the late nineteenth and early twentieth centuries these Pan American women's movements emerged with the founding of a variety of international organizations that began a worldwide campaign to improve women's lives In *A Hemisphere of Women* E Sue

Wamsley analyzes the history of the Inter American Commission of Women the first all female government affiliated body to deal specifically with women s civil and political rights in a transnational arena She examines how women who had semi official government roles worked within a neocolonial male dominated diplomatic setting to bring about change U S women assumed that they would be the natural leaders stereotyping their Latin American colleagues as unsophisticated and inexperienced Party members quickly learned however that they had underestimated their Latin American sisters who also had ideas about women s rights and how the campaign should be run Utilizing the policy of soft power the women with the help of Latin American officials managed to work around cultural differences and define common goals rooted in the advancement of women s civil and political rights giving hemispheric women a recognized position in shaping transnational gender law Wamsley s innovative analysis at once addresses a void in scholarship and interweaves the history of Pan

Americanism foreign relations and imperialism with that of women **Transnational Working-Class Literatures** Wiktor Marzec,Magnus Nilsson,Mike Sanders,2025-08-26 This book offers a pioneering study of the national transnational and international dimensions of working class literature It explores both the historically and geographically varied nature of the relationship between working class literatures and national canons and the importance of international and transnational exchanges in the development of working class literature Through a series of detailed case studies its sixteen essays analyse working class literatures from the early nineteenth century to the present day and cover thirteen countries across three continents this collection not only analyses the factors which lead to the incorporation or exclusion of working class literature from a given national canon but also traces the various ways in which working class literatures participate in international networks of exchange With its wide historical range extensive geographical coverage and broad definition of working class literature which includes samba poetry as well as socialist realism this collection charts new territory for the study of working class literature **Feminisms and Internationalism** Mrinalini Sinha,Donna Guy,Angela Woollacott,1999-08-25

This book addresses the theme of the history of internationalism in feminist theory and praxis covering such topics as the historical concept of internationalism within feminism and women s movements the nature of historical shifts within feminist movements and challenges to internationalism within feminism by women of colour and by women from colonised or formerly colonised countries **Encyclopedia of Women Social Reformers** Helen Rappaport,2001-12-06

The first comprehensive guide to women activists from every part of the world illuminating the broad range of women s struggles to reform society from the 18th century to the present Despite being marginalized disenfranchised impoverished and oppressed women have always stepped forward in disproportionate numbers to lead movements for social change This two volume encyclopedia documents the visions struggles and lives of women who have changed the world This encyclopedia celebrates the lives and achievements of nearly 300 women from around the globe women who have bravely insisted that the way things are is not the way they have to be Nadeshda Krupskaya the wife of Lenin spearheaded the drive against illiteracy in post revolutionary
