The Illustrated Guide To Biblical History:

Holman Illustrated Guide to Biblical History Kendell H. Easley, 2003-06-01 Photographs maps timelines and text all work together to help students of the Bible come to a new level of historical and spiritual understanding in their faith Hardcover 320 pages

The Illustrated Guide to Biblical History Kendell H Easley, 2003 The Illustrated Guide to Biblical History provides both novices and advanced Bible students a practical way of placing the Bible's myriad of details in an easy to grasp easy to remember pattern Being able to locate people and events on the timeline of Biblical history takes the guesswork out of Bible study and gives you new insights into God's plan for His people and creation Since the books in the Bible are not arranged in historical sequence it's easy to miss connections between various events and people that appear in different books This is especially true of many Old Testament Books Now The Illustrated Guide to Biblical History allows you to see numerous connections that you otherwise might have missed This invaluable resource will take your Bible study to a new level with over 200 photos 75 maps and 15 timelines all designed to increase your understanding of what God has done what He is doing and what He will do The Bible is a complex collection of books which can be summarized in the following statement The Lord God through His Christ is graciously building a kingdom of redeemed people for their joy and for His own glory Book jacket

Holman Illustrated Guide To Biblical Geography Holman Bible Publishers, Paul Wright, 2020-12-01 Reading the land enables us to read the Bible with greater insight Though the truths of the Bible transcend time and place they are rooted in them Geographical data inform our understanding of activity in the land of the Bible while the Bible's own description of these events embedded deeply in the realia of the land itself helps us better understand the living context in which these events took place When we develop a skill set that allows us to read the land of the Bible as fluently as we might read the text we stand not only to gain a better appreciation of the divine human events of Scripture we also gain an understanding of how these events become relevant to us in our own particular living contexts Chapters include Exploring the World of the Bible Building Blocks of Biblical Geography The Land of Ancient Israel The Southern Regions Judah Judea The Land of Ancient Israel The Central Regions Israel Samaria The Land of Ancient Israel The Northern Regions Galilee Transjordan Afterword Geography of the Heart Biblical geography has great apologetic value The biblical writers had to be accurate when presenting geographical material Unlike some matters of history and doctrine their assertions about the realities of land forms and climate or about the relation of one city to another or about the use of strategic routes could easily be verified both by their first readers as well as by contemporary readers Verifiable geographic information provides a solid foundation on which to place and evaluate the veracity of other truth claims in the biblical text

Holman Illustrated Guide to Biblical Geography Paul H.
