The Simple Truth David Baldacci, 2001-06-15 When cop turned attorney John Fiske comes to Washington to investigate his brother's murder he unearths decades old secrets and discovers the truth is anything but simple in this 1 New York Times bestselling thriller It's never what it seems Young

attorney Michael Fiske broke the law when he took Rufus Harms's prison letter from the Supreme Court. But he also sealed his own fate. Suddenly everyone who has anything to do with Harms or his appeal mysteriously dies. Now Michael's brother John, a cop turned attorney, comes to Washington to find out why his brother was murdered and what it had to do with a crime that Harms committed twenty-five years before. But the one man who can help John, the one man who knows what really happened more than two decades ago and why he has escaped from prison and is running for his life — The Guilty David Baldacci, 2015-11-17. After failing a critical assignment overseas, Will Robie must investigate a murder accusation against his father, but to save him, he'll have to face a violent and deadly fallout. In this New York Times bestselling thriller, Will Robie escaped his small Gulf Coast hometown of Cantrell, Mississippi, after high school, severing all personal ties and never looking back. Not until the unimaginable occurs: His father, Dan Robie, has been arrested and charged with murder. Father and son haven't spoken or seen each other since the day Robie left town. In that time, Dan Robie, a local attorney and pillar of the community, has been elected town judge. Despite this, most of Cantrell is aligned against Dan. His guilt is assumed. To make matters worse, Dan has refused to do anything to defend himself. When Robie tries to help his father, he responds only with anger and defiance. Could Dan really be guilty? With the equally formidable Jessica Reel at his side, Robie ignores his father's wishes and begins his own desperate investigation into the case. But Robie is now a stranger to his hometown, an outsider, a man who has forsaken his past and his family. His attempts to save his father are met with distrust and skepticism and violence. Unlike the missions Robie undertook in the service of his country, where his target was clearly defined, digging into his father's case only reveals more questions. Robie is drawn into the hidden underside of Cantrell, where he must face the unexpected and possibly deadly consequences of the long-ago choices made by father and son. And this time, there may be no escape for either of them.

A COMPENDIUM OF CLASSIC AND POSTMODERN NOVEL SUMMARIES Vivian Siahaan, 2019-08-03. This book is comprised of a compendium of summaries from all novels that I have read for almost twelve years. Obviously, the summaries have been documented on my blog since 2016, and seemingly, in my opinion, it is better bundled in a book form since the statistics show that classic fictions are those most read, so I rose to comply with that demand. The purpose for which I devote myself to compose 85 summaries is to provide quick reading for novel readers and students. Numerous genres are presented because I am quite conscious that those will bequeath you an imaginative horizon. As a work of art, many of them transcend their expiatory aspects. And still more important to us than scientific significance and literary worth is the inspirational impact those novels have on serious readers. Finally, happy reading, and I hope you will find this book useful.
