reinforces the film's romantic theme and much of the music has an appropriately elegiac quality. In mood orchestration and even to some extent thematic identity it seems to prefigure his music for *Vertigo*. In this latest addition to the Scarecrow Film Score Guide series author David Cooper examines Herrmann's career in general as well as the specific elements that went into the creation of *The Ghost and Mrs. Muir*'s score. Cooper traces the development of Herrmann's craft as a film composer especially through his radio work where he made contact with many of the great artists of the age most notably Orson Welles. This association was to give him a passport to Hollywood and led to the scoring of his first film *Citizen Kane*. Herrmann's subsequent film scores of the 1940s included *The Devil and Daniel Webster*, *The Magnificent Ambersons* and *Jane Eyre*. In this guide Cooper considers Herrmann's musical technique and offers a theorization of some of the ways in which music can be meaningful in film. He also explores non-musical contexts of the film including the screenplay's relationship to the popular novel from which it was adapted as well as the contribution of director Joseph L. Mankiewicz, the performances of Gene Tierney and Rex Harrison and the editing of Dorothy Spencer. Cooper also provides a quantitative evidence-based study of the score. In doing so he discusses the extent to which Herrmann adopted screenwriter Philip Dunne's suggestions for music in
