Alice, or The Wild Girl Michael Robert Liska, 2025-09-09 In 1856 Lieutenant Henry Aaron Bird makes a startling discovery a speechless shipwrecked young girl living a feral existence on a remote Pacific island When he exhibits her as a wild girl in the chaotic sprawl of early San Francisco this golden haired child without a past will be seen by the populace as a scientific curiosity a titillating image of female savagery or for many a symbol of the unspoiled body of that young country For Bird she is a fragile ward in need of protection whom he keeps drugged and confined when not using her to further his reputation But Alice will rebel against Bird s control and set herself adrift once more in the surreal landscape of 19th century America a place no less foreign to her than her own troubled past where she ll discover that the freedom she desires may have always been an illusion Alice or The Wild Girl takes the reader on a voyage from French Polynesia to the terminus of the American frontier as it charts the unlikely bond that develops between an aging US naval commander and the lost damaged girl he attempts to civilize as a way of alleviating his own loneliness and ennui Steeped in period detail and layered with fascinating thematic threads Michael Robert Liska s bold tale examines existential questions about the nature of history time and identity in a vanished America that is at once alien and strikingly like our own

Zutot 2002 Shlomo Berger,Michael Brocke,Irene Zwiep,2012-12-06 Zutot Perspectives on Jewish Culture aims to fill a gap that has become more and more conspicuous among the wealth of scholarly periodicals in the field of Jewish Studies Whereas existing journals provide space to medium and large sized articles they neglect the small but poignant contributions which may be as important as the extended detailed study The yearbook Zutot serves as a platform for small but incisive

contributions and provides them with a distinct context The substance of these contributions is derived from larger perspectives and though not always presented in an exhaustive way will have an impact on contemporary discussions Zutot covers Jewish Culture in its broadest sense i e encompassing various academic disciplines literature languages and linguistics philosophy art sociology politics and history and reflects binary oppositions such as religious and secular high and low written and oral male and female culture *Our Wonder World* ,1914 **The Warrior Women of Islam** Remke Kruk,2013-11-19 Colloquial Arabic storytelling is most commonly associated with The Thousand and One Nights But few people are aware of a much larger corpus of narrative texts known as popular epic These heroic romantic tales originating in the Middle Ages form vast cycles of adventure stories whose most remarkable feature is their portrayal of powerful and memorable women Wildly appreciated by medieval audiences and spread by professional storytellers throughout the cities of the Muslim world these fictions were printed and reprinted over the centuries and comprise a vital part of Arab culture Yet virtually none are available in translation and so remain almost unknown to a non Arab public Remke Kruk at last makes these neglected romances available to a Western audience She recounts the story of Princess Dhat al Himma brave and undefeated leader of the Muslim army in its wars against the Byzantines of Ghamra brought up as a boy to become a fearless leader of men and of cool headed Qannasa raiding from her mountain fortress to capture and seduce her enemies before putting them pitilessly to the sword The Warrior Women of Islam puts a bold new complexion on gender roles and the wider perception of women in the Middle East **Death and Ethnicity** Richard Kalish,2019-07-09 The intent of Death and Ethnicity emphasizes that death occurs to us as unique individuals living within particular sociocultural settings Those who provide and plan services need to recognize both the differences among groups and the differences among individuals within these groups and to provide options for those representative of their group as well as for those whose wants and needs are atypical This book is valuable for those who plan projects programs courses and services concerned with death and bereavement and those who fund plan direct and perform those services *Mercy Town* ACR,2017-07-31 The year is 1999 and Tonya Sommers life is as promising as one could imagine Graduating Valedictorian popular among all the students and well known in her church she spends Friday nights caring for her invalid grandmother Engaged to a prominent real estate broker and headed for a top University with legacy ties to one of the larger sororities it would seem that all she had to do was enjoy the ride The halls of higher education will many times take the form of a moral social labyrinth and Tonya finds herself caught in an emotional spiritual and intellectual whirlwind of conflicting beliefs voided convictions paper thin assurances and the disturbed realization of her own sexuality Manipulation in life s entirety marks the devious archetype of Glen Forrest His motivations are singular and egocentric while his words are rehearsed and inauthentic Once you understand his business his actions will not surprise you but when the perversions of a middle age man spill from the beach bars into this University schoolyard justice amends and redemption find definition without the help of a courtroom Jason Lancer has a problem he

does not have a clue how to fix Instead he surrounds himself with the simple objective pleasures afforded by money and drugs The little University town in which he lives enables his delusions of grandiosity As each graduating class departs the newest students always bring a fresh set of opportunities with them that Jason s refined cool has had no problem exploiting Yet when he is introduced to Tonya his cool gives way to a genuine yearning and he dismissively finds himself driven beyond all limits Waves women and weed are Raymond Meyers three favorite things So a University near his home beach with a five to one girl to guy ratio near a major spring break destination seemed to him a no brainer When he meets Jason he settles into a school connection and when he meets Tonya he thinks he falls in love Love as seen from a school boy s perspective can be devastating and Ray plays the role precisely William Barrett excels at two things He knows how to survive on the leftovers and he knows his drums well enough to get him into college early on a full ride even when the chair of the department will swear He is only fifteen years old and I ve seen his middle school transcript He is a discipline problem Welcome to Mercy Town

The Evil Body April Anson,2020-09-25 **Mondays on the Dark Night of the Moon** Kirin Narayan,1997 Oral tales establish relationships between storytellers and their listeners Yet most printed collections of folktales contain only stories stripped of the human contexts in which they are told If storytellers are mentioned at all they are rarely consulted about what meanings they see in their tales In this innovative book Indian American anthropologist Kirin Narayan reproduces twenty one folktales narrated in a mountain dialect by a middle aged Indian village woman Urmila Devi Sood or Urmilaji The tales are set within the larger story of Kirin Narayan s research in the Himalayan foothill region of Kangra and of her growing friendship with Urmilaji Sood In turn Urmilaji Sood supplements her tales with interpretations of the wisdom that she discerns in their plots At a moment when the mass media is flooding through rural India Urmilaji Sood asserts the value of her tales which have been told and retold across generations As she says Television can t teach you these things These tales serve as both moral instruction and as beguiling entertainment The first set of tales focussing on women s domestic rituals lays out guidelines for female devotion and virtue Here are tales of a pious washerwoman who brings the dead to life a female weevil observing fasts for a better rebirth a barren woman who adopts a frog and lights ritual oil lamps and a queen who remains with her husband through twelve arduous years of affliction The women performing these rituals and listening to the accompanying stories are thought to bring good fortune to their marriages and long life to their relatives The second set of tales associated with passing the time around the fire through long winter nights are magical adventure tales Urmilaji Sood tells of a matchmaker who marries a princess off to a lion God splitting a boy claimed by two families into two selves a prince s journey to the land of the demons and a girl transformed into a bird by her stepmother In an increasingly interconnected world anthropologists authority to depict and theorize about distant people s lives is under fire Kirin Narayan seeks solutions to this crisis in anthropology by locating the exchange of knowledge in a respectful affectionate collaboration Through the medium of oral narratives Urmilaji Sood describes her own life and lives around her and through the medium of

ethnography Kirin Narayan shows how broader conclusions emerge from specific spirited interactions Set evocatively amid the changing seasons in a Himalayan foothill village this pathbreaking book draws a moving portrait of an accomplished woman storyteller Mondays on the Dark Night of the Moon offers a window into the joys and sorrows of women s changing lives in rural India and reveals the significance of oral storytelling in nurturing human ties **Jewish and Romani Families in the Holocaust and its Aftermath** Eliyana R.
